OFFER OF CLINICAL FELLOWSHIP

ICDDR,B invites applications for **Clinical Fellowships** at the Matlab Health and Research Centre at Matlab, District - Chandpur under the Public Health Sciences Division. Particulars of the fellowship are as follows:

Objective: The objective of the fellowship programme is to provide clinical training in case management of diarrhoeal diseases and related problems as part of participant's preparation for speciality qualification in the clinical discipline.

Programme: The fellowship programme is designed to provide practical, hands-on training at the Matlab Health & Research Centre. The fellows learn through treating patients, participating at the ward rounds with their clinical supervisors and consultants. Lecture sessions are also organized covering important issues related to diarrhoeal diseases and related illnesses.

Training: The trainees are required to perform shift duties covering days and nights. May need to observe long duty hours.

Requirements:
- MBBS degree recognized by the Bangladesh Medical & Dental Council.
- Completion of one-year internship.
- Registration with the Bangladesh Medical and Dental Council.
- Excellent academic record.
- A minimum of one year's training either in Paediatrics or in Internal Medicine recognized for pursuing postgraduate studies, such as DCH and FCPS.
- Bangladeshi nationality.

Duration: Duration of fellowship is initially for a period of one year, extendible for another year depending on placement opportunities and evaluation of performance.

Stipend: Monthly stipend of Tk.17,000.00 (Taka seventeen thousand) only per month. No other benefit is admissible.

Evaluation & certification: The progress of the fellows will be monitored and evaluated. Written and clinical examinations may be offered at the end of the fellowships. On successful completion of training and final evaluation, the fellows will be awarded certificates.

Prospects: After completion of the programme, the fellows will be eligible for employment in the ICDDR,B, as per Centre's Rules, against fixed-term and short-term positions or any other suitable position, such as on Contractual Service Agreement. However, the fellowships will neither provide guarantee nor preference for any future employment. The fellows who started working will not be eligible for any other fellowship programme at the Centre.

Interested candidates who fulfill the requirements may submit an online application using ICDDR,B website; however, candidates may also submit an application with bio-data detailing experience and other particulars along with a recent passport size photograph to Advertiser, Box No. A - 260, C/o. The Daily Star, 19, Kawran Bazar, Dhaka-1215 by **November 23, 2006.** *Internal candidates must mention their employee ID#s in the applications.*

Special Information
ICDDR,B is an equal opportunity employer and particularly welcomes applications form women candidates. Any persuasion will disqualify the candidature. Only short listed candidates shall be invited for the interview. Please write the position applied for at the top of the envelope.
