DCC steps to protect city from dust, dirt

BSS, *Dhaka*

The Dhaka City Corporation (DCC) authorities have undertaken adequate measures to protect the city dwellers from dust and dirt, DCC sources said yesterday.

Under the steps, the DCC has been spraying 25,000 gallons of water per day since November 10 on different city streets especially at Panthapath, New Market, Gandaria and Bijoynagar to Rampura areas in a bid to relieve passersby from dust.

Talking to BSS Additional Chief Engineer of the DCC Idris Miah described the water spraying operation as an exceptional programme.

He said the programme was started on November 10 at the instruction of the top level in the government following newspaper reports that dust created due to road cutting at different places of the city caused serious health hazards especially exposing children to became the worst victim of hopping cough.

Under another programme DCC has initiated activities of cleaning the city ditches and canals, footpaths and walls in order to make the city neat and clean.

Idris said that City Corporation would embark on a massive neat and clean drive from mid December this year.
