Energy & Mineral Resources Division

Hydrocarbon Unit

BTMC Bhaban (1st Floor), 7-9 Kawran Bazar, Dhaka-1215
Invitation for Expression of Interest (EOI)
For Engagement of Individual Consultant (Local)
For the Position of
Strategy Policy Expert (Regional Geologist)

PACKAGE NO : HCU/CS#01
DATE : 25/09/2009

Energy & Mineral Resources Division has been allocated with Grant from the Royal Norwegian Government being administered by the Asian Development Bank (ADB) under the project titled "G0019: Gas Transmission and Development Project (GTDP) " towards the cost of the "Strengthening of the Hydrocarbon Unit in the Energy and Mineral Resources Division (Phase –II)", and intends to apply part of the proceeds of these funds to payments under the contract for the provision of Consultancy Services by an Individual Consultant or a Consulting Firm through an Individual Consultant as "Strategy Policy Expert (Regional Geologist)".

Energy and Mineral Resources Division, the Executing Agency (EA; hereinafter referred to as the 'Employer') now invites Expression of Interests (EOI) from Individual Consultants (Bangladeshi National), National Consulting Firms and International Consulting Firm from ADB's member countries and listed in ADB's Database of Consulting Firms (DACON), for short listing of Consultants.

A. Terms of Reference (TOR)

The services include responsibility of preparation of reports on hydrocarbon reserve and resource assessment of the country including preparation of field-wise depletion plan and countrywide exploration plan. On the basis of the result of the study, he/she will prepare field-wise depletion plan. Based on the result of resource assessment and depletion plan, an exploration plan is to be developed. He/She is to review daily gas production and consumption data and supervise the activity related to the Data Management. He/She will assist the Unit to plan and monitor exploration, development and production activities.

The Consultant will be responsible for providing opinion/comments on issues related to exploration and production as well as other related issues as per requirement of the employer, which will also include Advisory Support on various aspects of Oil & Gas Exploration, Development and Exploitation activities. He/She will provide opinion and suggestion on ongoing PSC activities as well as ideas on improvement on future Production Sharing Contracts (PSC) and Joint Venture Agreement (JVA) activities.

He/she will also be responsible for ensuring technology transfer from expatriate consultants to the local counterpart technical officials of HCU. He/She will be overall in-charge of various technical activities related to geological study, reserve and resource assessment.

He/She will prepare Annual Gas and Condensate Production Report, advice on Exploration and Development Strategy for Bangladesh etc. He/She may be selected to be an observer of Joint Review Committee (JRC) or Joint Management Committee (JMC) on Production Sharing Contracts (PSC). In such case he/she will attend JMC/JRC meetings and submit report to Project Director.

The assignment will be mainly located in Dhaka. There might be visit to a number of gas fields and related installations. For such traveling within country, HCU will arrange transport and accommodation. The assignment will not involve any overseas traveling.

Time Schedule on these various kinds of reports will be fixed during or after negotiation agreement. Consultant will also furnish a monthly progress report summarizing his/her weekly activities.

B. Qualification & Experience
