TOSHIBA

Toshiba EasyGuard – the ultimate notebook protection system.

Toshiba recommends Microsoft® Windows® XP Professional.

Notebooks armed with Toshiba EasyGuard are tougher, and perfect for professionals on the move. In the event of an accident, external bumpers protect against hardware damage while your data is protected against impact by strategically positioned shock absorbers. Intel® Centrino™ Mobile Technology also ensures wireless efficiency, so work stays undisrupted no matter where you go.

Data Protection. Shock Protection. Spill-Resistant.

Shock Absorbers – protect HDD against shock and vibration to avoid damage and data loss.

Integrated Bumpers – absorb the impact of a fall, reducing the risk of external damage.

*Spill-resistant Keyboard^* – gives you time to save your files and turn off your notebook before any system damage can occur.

^ Up to 30ml of pure water
