## Career Opportunity

The EC funded project- Promoting Rights of the Disadvantaged by Preventing Violence Against Women (PROTIRODH) aims to reduce violence against women and reinforce the fulfilment of women's rights. The specific objective of the action is to improve response to incidences of VAW and to promote a more enabling environment for the fulfilment of women's (including sex workers) dignity and right to freedom from gender-based violence in rural Dinajpur, and among sex workers in Dhaka, Khulna and Tangail. The project also aims to facilitate self-help groups and forums of sex workers and survivors of violence in vulnerable communities. Applications are invited for the following PROTIRODH-CARE project positions to be based at Dhaka with extensive field travel to program area, on contract up-to December 2009.

### 1. Project Coordinator (1 post)

Job Summary: The project coordinator is responsible for overall management of the project according to the proposal and in congruence with the mission of CARE Bangladesh. S/he will be responsible for designing the program strategies and supervising the quality of programs in addition to overseeing the administrative and financial aspects of the program. The incumbent will nurture relationships with key stakeholders and be responsible for spearheading the advocacy strategy of the project to contribute towards an improved policy environment with regard to women's rights, particularly violence against women. In doing so s/he will explore appropriate approaches / methods to mobilize stakeholders both at micro, meso and macro level. S/he will lead, design and guide social and institutional analysis processes using Rights Based Approaches and proactively support the development of self-help groups of sex workers and solidarity platforms for survivors of violence through capacity building efforts and by establishing effective linkages. S/he will document success and failure, and prepare project implementation reports and ensure that accountability to the donor as well as program quality standards are met by the project.

Core Qualifications and Competencies:

- Masters in Social Science preferably in Law, Psychology, Anthropology
- At least 10 years experience in development work, of which 3-5 years management experience of leading a team
- At least 3-5 years of experience on working on Violence Against Women preferably in supporting survivors of violence against women and self help groups directly
- Excellent interpersonal communication, mobilization and leadership skills
- Strong track record of work in policy advocacy on violence against women
- Demonstrated skills in facilitation, coordination, delegation, and team building and experience of engaging well with partners
- Proven skills in financial management
- Ability to innovate ideas
- Strong communication and report writing skills in English
- Good computer skills in word processing and spreadsheets
- Willing to work with the disadvantaged / vulnerable people under difficult situations
- Knowledge on national laws and policies and international instruments on women's rights
- Strong networking skills and leadership abilities
- Sensitivity to gender and human rights issues

Compensation: Gross Salary for the position is approximately **Tk 68,000.00** per month, plus other admissible benefits as per organizational policy.

### 2. Project Development Officer (1 post)

The Project Development Officer (PDO) will provide assistance to the project management, staff and key advisors, in implementing the project. The incumbent will believe in rights based approaches and proactively support the development of self-help groups of sex workers and solidarity platforms for survivors of violence through capacity building efforts. The incumbent will supervise implementation in the field with the assistance of three project officers. S/he will also support campaign and advocacy initiatives of the project in addition to supporting the SHGs for raising awareness on their rights to a life free of violence in various forums. S/he will support the establishment and linkages of services for women survivors of violence and work towards capacity building of SHGs in ways that help them to become self sufficient.

Core Qualifications and Competencies:

- Master's degree in any discipline with at least 2-3 years of experience in staff management
- Relevant experience in projects dealing with violence against women or gender or programs that work with sex workers
- Experience in organizing or planning campaigns and advocacy initiatives
- Experience of organizing or managing groups particularly self help groups will be an added advantage
- Ability to efficiently plan, organize and manage program implementation, analysis and report writing
- Ability to conduct and facilitate training
- Good interpersonal skills
- Knowledge and skills in networking with different stakeholders
- Willing to work with target beneficiaries under difficult situations
- Good communication skills in both verbal and written in English and Bangla
- Good computer skills in word processing and spreadsheets

Compensation: Gross Salary for the position is approximately **Tk 25,000.00** per month, plus other admissible benefits as per organizational policy.

### 3. Project Officer (1 post) (only for women candidates)

The Project Officer (PO) will provide assistance to the project management, staff and key advisors, in implementing the project. The incumbent will believe in rights based approaches and proactively support the development of self-help groups of sex workers and solidarity platforms for survivors of violence through capacity building efforts. The incumbent will primarily be responsible for designing, implementing and improving counselling services for the project. She will support the Self Help Groups (SHG) and survivors of violence for raising awareness on their rights to a life free of violence. She will support the establishment and linkages of services for women survivors of violence and work towards capacity building of SHGs in ways that would help them to become self-sufficient.

Core Qualifications and Competencies:

- Master's degree in any discipline preferably in psychology or a track record of working at least 3 to 4 years in direct counselling of either survivors of violence or any other groups
- Ability to efficiently plan, organize and manage program implementation, analysis and report writing
- Ability to conduct and facilitate training, problem solving and decision making skills
- Good interpersonal skills, demonstrated proactive roles in team work, knowledge and skills in networking with ability to effectively deal with Self help groups and Community Based Organizations
- Knowledge on Gender and Human Rights
- Willing to work with target beneficiaries under difficult situations
- Good communication skills in both verbal and written in English and Bangla
- Good computer skills

Compensation: Gross Salary for the position is approximately **Tk 21,000.00** per month, plus other admissible benefits as per organizational policy.

Interested candidates who fulfill the above requirements are requested to drop or mail their CVs (with cover letter, recent passport size photograph, and names/addresses of two non-relative referees) at: **CARE-Bangladesh, 20-21, Kawran Bazar, Dhaka by addressing Section Manager-HRM, HRD&M Department on or before March 8, 2007.**

*Note: Women are particularly encouraged to apply. Any persuasion will disqualify the candidates. Internal and external applicants shall be treated equally in the entire selection process. Applicants who have relatives in CARE are discouraged to apply. Only short listed candidates shall be invited for the interview. Please write the position applied for at the top right hand corner of the envelope.*
