Local impact gives selectors food for thought

SPORTS REPORTER

Despite a wide range of controversy and criticism, the shining light of the ongoing Bangladesh Premeir League has been its ability to produce exciting cricket, especially from local cricketers.

The top five run-getters in the BPL so far are local players, three of whom are eyeing a place in the national team. Local bowlers are also leading the way, comprising three of the top five wicket-takers.

"We have to give credit to the curators of the three venues in Dhaka, Chattogram and Sylhet. We were able to witness some exciting cricket because of good pitches. The standard of cricket was good so we are satisfied," former Bangladesh captain and selector Habibul Bashar told The Daily Star yesterday.

"Batters performed well and we witnessed some extraordinary batting while also seeing some good spells from bowlers. Overall, this BPL has been really good in terms of the standard of the cricket."

Consistent performances from some young and emerging talents must also have been a breath of fresh air for selectors, who must consider performance before announcing the squad for the white-ball home series against England next month.

Among that crop, Towhid Hridoy has been a revelation. The right-hander showed great consistency by scoring 378 runs in 10 games at a strike rate of 145.38. He also recorded five fifties to place himself firmly among the contenders to make the squad for the England series.

"The transformation in his batting has been terrific, but if I talk about performance, he actually scored runs everywhere. We went to Chennai with a BCB XI and he played some match-winning knocks. He has been scoring runs consistently for the past two years but he batted totally differently in this BPL and it was outstanding. It was surprising to see his approach to scoring. This time he looks very confident," Bashar said.

Although Hridoy's chance of making it to the ODI side are slim, selectors could consider the batter for the T20I series, especially as Soumya Sarkar and Yasir Ali have endured an extended lean patch since the last ICC T20 World Cup in Australia.

"We consider those who perform well and we try to provide a platform for them. There won't be an exception this time," Bashar concluded.

The first of the three-match ODI series against England at home is scheduled to take place on March 1 at the Sher-e-Bangla National Stadium in Mirpur. Selectors will announce the squad for the ODI series, which is also a part of the ODI Super League, right after the conclusion of the Bangladesh Premier League on February 7.

The England series is also set to be the first assignment for Chandika Hathurusingha, the newly-appointed head coach of Bangladesh.

Even though PSG had a host of injury concerns involving a number of their star players like Kylian Mbappe, Lionel Messi and Marco Verratti, all of these players, including Neymar, turned up for training on Monday ahead of their crucial Champions League last-16 first leg against Bayern Munich at Parc des Princes today. Morgan calls it quits

REUTERS

England's 2019 World Cup-winning captain Eoin Morgan announced his retirement from all forms of cricket aged 36 on Monday, bringing the curtain down on a career studded with short-form success.

Former white-ball captain Morgan, who bowed out of the international game last June, led England to 50-over World Cup glory on home soil and the top of the one-day and Twenty20 rankings.

Morgan captained England in 126 ODIs and 72 T20s, registering 118 wins as skipper across the two formats.

"After much deliberation, I believe now is the right time to step away," Morgan said in a statement on Twitter.

"Since my retirement from international cricket, I have been able to spend more time with my loved ones, and I look forward to being able to do so more and more in the future."

Dublin-born Morgan made his ODI debut aged 16 with Ireland before he was called up by England in 2009.

He played 248 ODIs and 115 T20Is, scoring 10,159 runs in total, and scored 700 runs in 16 Tests.

'The team that can absorb the pressure will prevail'

SPORTS REPORTER

Sylhet Strikers skipper Mashrafe Bin Mortaza couldn't quite inspire his team to a win against Comilla Victorians in Qualifier 1 but by virtue of a top-two finish in the league stage of the Bangladesh Premier League, his side, who dominated for most part of the tournament so far, face an upbeat Rangpur Riders in the second qualifier in Mirpur today in a bid to book a spot in the final.

Sylhet were the first team to guarantee qualification to the playoffs and were also the first to cement a spot in the qualifiers as they finished top of the table in the league stage.

But on Sunday, they were undone in the first qualifier by a star-studded Comilla Victorians, who extended their winning run to 10 matches.

Wicketkeeper Mushfiqur Rahim fluffed three chances in the game, the veteran dropped two catches and also missed a stumping opportunity to make it easier for Comilla. Also, Sylhet's in-form batting line-up that includes three of the top run-getters in the tournament -- Najmul Hossain Shanto, Towhid Hridoy, and Zakir Hasan -- faltered in the important match.

It also does not bode well for Mashrafe's side considering the fact that they lost both of their league-phase matches against Rangpur by comprehensive margins.

Rangpur, on the other hand, go into the contest with the confidence of having knocked out title-aspirants Fortune Barishal.

Rangpur had performances come through for them at the right time. Shamim Hossain's highest T20 score of 70 on Sunday against Barishal couldn't have come at a better time as it laid the foundation for their successful chase.

Rangpur mentor Mohammad Rafique believes that the side that can curtail the number of mistakes will have the upper hand in a knockout situation.

"We want to play our usual game, the kind of cricket that we have played in the tournament so far. But it's a knockout game. No matter how much we plan for it, we do feel the pressure. Whoever can absorb the pressure down, it'll be more beneficial for them. The biggest thing will be to cut down on the number of mistakes which we made in the last game," Rafique said.

> **The spell from Marufa [Akter] was stunning. She is just so young and talented. How she bowled against Sri Lanka amazed everyone. I would hope to see her bowl against Australia the same way she did against Sri Lanka.**

Bangladesh to host Brunei, Seychelles

SPORTS REPORTER

Bangladesh Football Federation (BFF) has decided to host a tri-nation football tournament in March's FIFA window where Bangladesh will play against Brunei and Seychelles as part of providing platform for the national team for play international matches in FIFA window.

The tournament will take place between March 20 and 28 in Sylhet.

All three teams belong in the lower-tier of FIFA rankings: Brunei (190), Bangladesh (192) and Seychelles (199). The tournament will be held in single league format with top point-getters emerging as champions.

"We have already sent letter to FIFA to get approval for the trination tournament. We are taking preparation to hold it in Sylhet," BFF vice-president Kazi Nabil Ahmed said in a video message after an online meeting.

"The training camp of the national team will be held in Dhaka and Sylhet a few days after the completion of the first phase of Bangladesh Premier League," Nabil added.
