Trading halt to 4 companies' shares pulls down Dhaka stocks

STAR BUSINESS REPORT

A halt to trading of four companies shares pushed the Dhaka stocks down yesterday, with a 50-point drop in the bourse's benchmark index.

Dhaka Stock Exchange (DSE) authority suspended trading of Beximco Pharma, Apex Spinning, Bangladesh Shipping Corporation and Delta Spinners on the plea that the market went overpriced.

However, trading of Beximco Pharma resumed at 1:30pm, 30 minutes before closing of the day's trading. The three other companies' share trading will resume today.

Operators said the day's trading kicked off with an upward mood, but investors became panicked after the news of trading suspension was posted on the bourse's website.

Such a suspension of share trading is a part of the initiative by both the stock market regulator and exchange authorities to cool down the overpriced market.

Recently, the Securities and Exchange Commission (SEC) asked the Dhaka and Chittagong stock exchanges to take measures such as trading halt and putting companies under spot market trade, if any company share prices go up irrationally.

Yesterday's thin trading value and volume reflected that most of the investors kept them out of trading.

A total of 1,80,30,181 shares worth Tk 249.2 crore were traded on the premier bourse. Of the issues traded, only 40 advanced, 186 declined and six remained unchanged.

Some experts, however, said interfering in the market would not yield expected results.

"Rather, the market regulator and the exchange authorities should investigate why the prices are going up, who are buying the shares with high prices and why they are buying," said Yawer Sayeed, managing director and chief executive officer of AIMS of Bangladesh.

Through halting the share trading, the market regulator and exchange authorities are creating panic in the market, he added.

Yesterday the DSE General Index came down to 3020.25 points, while the DSE All Share Price Index came down to 2563.36 points.

Like the DSE, the Chittagong Stock Exchange (CSE) also closed lower with the losers outnumbering the gainers.

The CSE Selective Categories Index fell by 53.86 points, or 0.9 percent, to 5883.27 points, while the CSE All Share Price Index declined by 73.47 points, or 0.8 percent, to 9098.59 points.

A total of 34,85,421 shares worth Tk 40.97 crore changed hands. Of the issues traded, only 27 advanced, 111 declined and five remained unchanged.

South Korea's ports threatened to grind to a halt Sunday as thousands of truck drivers extended their strike over soaring fuel prices, which has added to the woes of new President Lee Myung-Bak.

Some freight yards at the country's biggest port of Busan were already overloaded with stalled shipping containers.
