Stocks end bullish

STAR BUSINESS REPORT

Dhaka stocks continued a bullish run yesterday, driven largely by rising investor confidence after the December 29 elections.

The confidence level of investors that was on the rise ahead of the parliamentary elections mounted further in the post-poll days, said market analysts.

"The market is still in the election hangover, which helps the investors regain their confidence from a recent slump," said Yawer Sayeed, managing director of AIMS of Bangladesh.

The benchmark index of Dhaka Stock Exchange, DSE General Index, rose 37.15 points, or 1.32 percent to 2,844.77 points. The DSE All Share Price Index also increased 29.16 points, or 1.25 percent to 2,350.2 points.

Most securities traded up on the DSE. Of the 237 traded issues, 181 advanced, 50 declined and six remained unchanged.

The market opened with a jump in the index of almost 40 points. In the first 60 minutes, the market lost 15 points.

In the next 60 minutes, the market recovered almost all of the losses. By the next 60 minutes, the market reclaimed the rest and posted slight gains. For the rest of the session, the market stayed close to the same level.

A total of 3,75,65,121 shares worth Tk 446.74 crore changed hands on the premier bourse.
