#### Warne eager to bowl again

#### AFP, Sydney

Shane Warne is looking to play cricket before the Australian team leaves for next month's World Cup in southern Africa.

Six hours of daily rehabilitation work for the last three weeks have paid off for the champion legspinner, Warne said at the Sydney Cricket Ground on Sunday.

His bowling arm is no longer in a sling and his World Cup prospects are no longer in doubt.

Warne said he has come on so well in his recovery program from a dislocated right bowling shoulder that he expects to be on the field again by the end of the month.

He might even play an international triangular series one-day game for Australia. The series resumes on January 9 and finishes with the best-of-three match finals on January 27.

"It all depends on how it progresses in the next week," Warne said at the Sydney Cricket Ground on Sunday.

#### Hayden, Gilchrist reprimanded

Australian Test opener Matthew Hayden was fined and severely reprimanded Sunday after an ugly incident in which a glass panel in his team's dressing room door was smashed.

Australian vice-captain and wicketkeeper Adam Gilchrist was also reprimanded for swearing as the pressure mounted on the home side to bring a 5-0 clean sweep of the Ashes series

International Cricket Council match referee Wasim Raja fined Hayden 20 per cent of his match fee, estimated to be about 2,200 dollars (1,200 USD) after the Australian opener was found guilty of breaching the ICC's code of conduct.

He was charged for breaking the glass as he returned to the dressing room following his lbw dismissal for just two in the third over of the home side's tense fifth Test run chase at the Sydney Cricket Ground.

Indian cricket coach John Wright said Sunday his team had to quickly regain confidence ahead of the World Cup after a long run of failures on the current New Zealand tour. A lack of confidence among the

batsmen has become one of India's biggest problems as they tamely lost both the Test and one-day series against New Zealand.

The tourists lost each of the two Tests inside three days and then suffered four successive defeats in the ongoing series of seven one-day internationals. "It's certainly a wake-up call

ahead of the World Cup (starting in South Africa next month)," said Wright, a former New Zealand captain.

"The trouble at the moment is some of the batsmen have lost their touch and their confidence has gone. It's important that we don't lose the self-belief and ability to win the World Cup.'

The Indian batting has struggled for the entire tour against a disciplined, although not hostile, New Zealand pace attack on seamerfriendly pitches

India did remarkably well in onedayers last year, winning a series in the West Indies, the NatWest Trophy in England and then sharing the Champions Trophy with Sri Lanka following the rain-hit final at Colombo.

Struggling third division club Shrewsbury dumped Premiership high-flyers Everton out of the FA Cup on Saturday in one of the biggest ever upsets in the history of the competition.

Veteran journeyman Nigel Jemson was the Shrews hero with both goals in a famous 2-1 victory in the third round tie at Gay Meadow, the winner coming just two minutes before the end of regulation time.

Jemson had put the home side ahead just before half-time. But Shrewsbury boss Kevin

Ratcliffe, the captain of the great Everton side of the mid-eighties, must have thought the chance of a famous victory over his former club had disappeared when Niclas Andersson equalised on the hour mark.

Yet his side, displaying a composure which belied their current position in 18th place in the bottom division of English football, kept taking the game to the Mersevside giants and they got their reward when Jemson popped up to head home the late winner

Ratcliffe, whose squad cost 30,000 pounds (45,000 dollars) compared to Everton's outlay of 50 million pounds, said it was a much deserved victory which will bring a welcome influx of cash.

"I don't think I've ever been involved in a more exciting FA Cup tie." said Ratcliffe

"I knew we'd cause them problems with our pace and they were never able to cope with it.

Steve Waugh has the fate of his cricket career firmly in his control with Australian selectors restating on Sunday that they will judge him purely on form

The 37-year-old Australian skipper scored an unforgettable century to celebrate becoming only the third player to score 10.000 Test runs with an emotional innings in the fifth Ashes Test against England here on Friday.

The 'Ice Man' of cricket played the innings of his life against the backdrop of mounting speculation about his immediate playing future.

Waugh's 102 was his 29th Test century equalling cricket immortal Don Bradman's Australian record.

to Steve to let us know what his plans are Waugh has not said what his

intentions are beyond the final Ashes Test but the general consensus is that he will be available to lead the Australian team to the Caribbean to play the West Indies in April-May.

Australia's squad for the West Indies will be announced in March. The only possible factor that

could convince Waugh to guit is that his hundred was so perfect in front of 41,931 home fans that nothing else he ever does in cricket could top it

Waugh told a press conference by two wickets

on Friday after his exhilarating century: "I've always said that it's desire, commitment and passion that count and age has nothing to do

with how well you're going to play. "If you haven't got that burning desire, that inner strength, then there's no point in playing

"Age is totally irrelevant, it's what's inside you and I don't believe in age determining whether you should be in the side or not."

Waugh has already spoken during in recent months of his desire to tour India again, in a series scheduled for 2004

Australia lost the last series on the sub-continent in March 2001 when India pulled off a miraculous come-from-behind victory in Calcutta on the back of VVS Laxman's blazing 281 second innings to square the series and then win the deciding Chennai Test

"I think he's one of the best things that England has produced in the last two years and I'd place him quite easily at the top of the world batsmen."

Vaughan and Hussain eclipsed a three-day-old ground record for the third wicket with a 189-run stand.

Mark Butcher and Hussain had 409 broken the previous 66-year-old Bowler English record of 129 for the third Gillespie wicket at the ground with their 166 in Lee the first innings on Thursday.

MacGill Lee dismissed Hussain for 72 Bichel with a faint edge to Gilchrist which Martyn had the English captain shaking his Waugh head in disbelief at the decision.

Lee finished with 3-132 off 31.3 overs and legspinner Stuart MacGill 3-120 off 41 overs.

Hussain called his last two batsmen in when Lee began bowling menacing short-pitched deliveries at tailender Steve Harmison, who crashed four fours in his spirited unbeaten 20.

Bowler His decision to declare paid Hoggard immediate dividends with Langer, Caddick Hayden and Ponting all falling to lbw Harmison Dawson

sending Bichel in at number three, ahead of Ponting, and the bighearted fast bowler played a resolute role lasting out the 18 overs to stumps despite a fractured finger.

Once again Australia's hopes of denying England a merited victory look to hinge on Waugh and Gilchrist, whose memorable fighting centuries pulled Australia's first
