Mashud became the latest victim of the mindless chopping and changing policy of the Aliul-led three-member selection panel that has grown into an apparent 'autonomous body' capable of doing whatever it feels like since taking over before the World Cup.

Fast bowler Shaun Pollock became South Africa's highest wicket-taker in one-day internationals on Thursday after he claimed his 273rd victim in a triangular series match against hosts Bangladesh.

Pollock trapped Habibul Bashar leg before for one to claim the record and go past fellow pace bowler Allan Donald.

The all-rounder, playing his 189th match, reduced Bangladesh to 19 for two in the ninth over chasing 262

Bashar, however, seemed unlucky as television replays suggested he had edged the ball on to his pads playing half forward.

Pollock also trapped Mohammad Ashraful (13), the batsman clearly beaten by the pace. Donald took 272 wickets from 164 games before announcing his retirement after hosts South Africa were eliminated in the first round of the World Cup, a result which cost Pollock his captaincy.

Lance Klusener (175 from 154 matches), Jacques Kallis (167-174), Hansie Cronje (114-118) and Makhaya Ntini (102 from 70 matches before Thursday's game) are the other South African bowlers to take more than 100 wickets.

Experienced batsman Hashan Tillekaratne has been named as Sri Lanka's new Test captain with vicecaptain Marvan Atapattu taking charge of the one-day side, selectors said on Thursday

Hashan, 35, replaces all-rounder Sanath Jayasuriya, who resigned after Sri Lanka crashed out of the Sharjah Cup earlier this month, but Atapattu is likely to take over the Test captaincy as well in the long term.

Both appointments are limited to the current Test series against New Zealand and the one-day triangular series, which also involves Pakistan that follows the Tests.

But two of their short-list of three coaches New Zealander John Bracewell and South African Graham Ford have turned the job down leaving only Australian Steve Rixon in the frame.

Former Test cricketer Lalith Kaluperuma was appointed head of the national selectors earlier this month replacing Guy de Alwis who resigned in protest against the sports ministry's interference in the selection process.

Tillekeratne was not favoured to take over the job from Javasuriya. He was axed from both the Test and oneday sides after the 1999 World Cup, but fought his way back into the Test team two years later with some big scores in domestic cricket.
