manusher jonno

Call for Project Concel

Manusher Jonno is an initiative undertaken by CARE Bangladesh, Legal Aid and Services Trust (BLAST) and Deloitte and Touche Emerging Markets (UK) Ltd. (D&T) for contributing to the process of establishing good governance and human rights.

Organizations representing civil society, non-government agencies, private sector and state institutions working/willing to work in creating a conducive environment for establishing good governance and protecting rights of poor and vulnerable women, men and children, are requested to submit specific Project Concept Note (PCN).

Applying organizations must be registered under NGOAB or Department of social welfare and should have minimum two years experience.

Manusher Jonno will provide funds to institutions/ organizations/ agencies for implementing effective and innovating projects on the above. Potential organizations are requested to submit a PCN not more than two single pages (font 12, single space and A4 size paper) which should outline the concept or idea of the proposed project along with major objectives, activities, target groups, geographical areas of proposed project, major focuses of organization and a preliminary budget. Please note that PCN above two pages will not be reviewed. Manusher Jonno discourages PCN written by consultants. Experiences from 1st round confirm those proposals not owned by applying organization are less likely to get persuasive. PCN may be written in Bangla and English. PCN will be selected on a competitive basis.

Short listed organizations will be informed and requested to submit full proposals. The proposed project should focus on any of the following:

Rights of children (working children, children in hazardous labour, etc.)

Rights of women (lack of legal and social protection, lack of participation, working women, violence against women, etc.)

Rights of indigenous, minorities and socially excluded people

Improving process of governance and institutions (private sector, consumer rights, state institutions, etc.)

Access to justice

Following is the range of funds that MJ may provide:

Micro to Small: Tk. 9,00,000 to 50,00,000 (1-2 years) Medium: Tk. 50,00,001 to1,00,00,000 (3 years) Large: Tk. 1,00,00,001 to 2,50,00,000 (3 years) Macro: Tk.2,50,00,001 to 5,00,00,000 (3 years)

An intensive financial assessment is done for all organizations requesting fund. Budget is approved based on assessment of the organizations' capacity to manage fund plus the logic between the funds requested and activities proposed. Organizations that requested unrealistic budgets in the first round were subject to drastic revisions.

Please note that organizations, which applied in the first round (January-June 2003) and received rejection letters should not apply in this round (July - December 2003) but may be considered in future rounds. Manusher Jonno reserves the right to contact any organization for further discussion.

Interested organizations are requested to submit two copies of PCN by July 29, 2003 at the Manusher Jonno Secretariat. PCN sent through email and mail will not be accepted.
