

INSTITUTE OF WATER MODELLING
IWM
 House # 476, Road # 32, New DOHS, Mohakhali, Dhaka-1206

CAREER OPPORTUNITY

IWM is an independent Trust established by the Govt. of the Peoples Republic of Bangladesh providing specialist services to the government, national and international agencies in the field of computational hydraulics and allied sciences. It bears an excellent working environment and scope for career development through HRD program both in-house and abroad. IWM is now looking for appointment of some suitable Junior Engineers, who will have to work in the field for understanding hydrologic & hydraulic processes. This will ultimately lead to career development in computational hydraulics and mathematical modelling of the vast river system of Bangladesh.

Position	Qualification & Experience
Junior Engineer	B.Sc. Engg. Degree in Civil/Water Resource Engineering. Candidates having experience in the field of Water Resources will be given preference.

Candidates with demonstrated capacity will be offered attractive remuneration packages.
 Eligible candidates are requested to send a detailed CV along with two copies of passport size photograph and copies of certificates to the above address by 31st August, 2003.
 Only short-listed candidates will be called for interview.

ENGLISH TEACHERS REQUIRED FOR TEACHING IELTS

Candidates having high IELTS bands or teaching O-Level English are requested to apply immediately with bio-data and p.p. photos. Also needed Male/ Female student Counsellors and O/A' Level teachers.
Gateway, 8/11, Lalmatia, Block-A, Phone : 9125092, 8118250, 0171-560285
