'3000 posts of teachers in govt schools vacant'

BSS, Dhaka

About 3,000 posts of teachers are lying vacant in the government schools across the country, Education Minister Dr M Osman Farruk told the Jatiya Sangsad yesterday.

Replying to a question from Nasir Uddin Ahmed Pintu (Dhaka-8), the minister said the final results of the 22nd BCS examination have been published and 1,039 teachers would be appointed in BCS (General-Education) cadre on the basis of these results.

He informed that preliminary selection for the 24th BCS examination had started, while a proposal was being sent to the establishment ministry for appointing lecturers to the vacant posts in the

government colleges by holding special BCS examinations.

Replying to another question from SA Sultan (Chandpur-4), the education minister said there are 51 private universities in the country. He said the government has taken initiatives to update the relevant act for improving the standard of education in the private universities.

He said a high-powered nine-member monitoring committee comprising eminent personalities was formed to monitor the standard of education of the private universities.

Besides, he said, a proposal for constituting Accreditation Council to maintain the standard of education was under active consideration of the government.
