## Japanese ODA team visits two hospitals

The Japanese team yesterday saw two specialised hospitals in the city as part of its programme to evaluate the implementation status of some ongoing Japanese-assisted projects

The eight-member team visited the Maternal and Child Health

Training Institute (MCHTI) at Azimpur and the privately-run Nari Moitree Clinic at Shantinagar, two projects run by the Japanese Official Development Assistance

The ODA team, who represents the Japanese taxpayers, arrived here on Saturday to monitor the ODA programmes.

## Why Swan Mattress? Because...

For sound sleep MATTRESS is more important than the Cot: Only users can understand that BED (MATTRESS) can be so comfortable.

O Prices of Swan Mattress is negligible; it is affordable by many Bangladeshis = only you need to

SWAN MATTRESS is comfortable but it is made in such a strong way, which ensures proper SUPPORT & 100% RELAXATION of every parts of your body like Neck, Spine, Side and Back. O As the Raw Materials of SWAN MATTRESS are mainly nature origin such as : Steel Springs Coir Sheets; Cotton Felts; Steel Edge Guards etc; it again ensures air circulation and your entire body weight (heavy or light) is being distributed thoroughly on the Mattress.

O This combination of SUPPORT & COMFORT guarantees your uninterrupted sound sleep & it is so essential that you must have to stay at least 8 hours on your MATTRESS out of 24 hours a day. O And on having peaceful sleep; you can feel FRESH.& Start next day activities with FULL ENERGY.

Regarding QUALITY OF MATTRESS; we feel that already established goodwill about our other items (SWAN FOAM & SWAN ADHESIVE) is enough.

Latest & New addition from Swan Family: SWAN DIVAN (Cot with Mattress SWAN PILLOW
