Journalists/Producers - Bengali Service

London

Continuing and fixed-term contracts

The Bengali Service of the BBC World Service...

.broadcasts on radio in Bengali to South Asia and has a website BBCBengali.com with audio streams and regularly updated news headlines. Output is varied with a strong emphasis on international current affairs. It is a fast-paced environment, where tight deadlines and news updates are the norm.

You'll interview, write, translate and adapt material...

...swiftly and accurately in a style suited to radio and online journalism, whilst working as part of a team. In addition, you'll produce and present current affairs programmes.

A Journalist with at least one year's relevant experience...

.. you'll need an in-depth understanding of South Asian politics and international affairs. Bengali will be your first (or equivalent) language and, along with an excellent broadcasting voice, your strong radio presentation skills will be key for the fast-evolving radio market. Educated to degree level, you'll have full comprehension of English, together with first class IT skills and extensive knowledge of Internet.
