Students of Marie Curie School explain their project to Principal Sakiba Ali at the science fair of the school yesterday. The two-day science fair began on the school premises in the city on Friday.

## DU lab equipment stolen

DU CORRESPONDENT

Equipment worth Tk 31.2 lakh was stolen from the laboratory of Botany Department of Dhaka University (DU) yesterday.

Ramna police picked up two security guards of the university -- Nasir Uddin and Amin Uddin -- for interrogation.

Some teachers found the equip-

ment missing when they entered the laboratory at about 11.00am yesterday, according to a general diary filed by Department Chairman Prof. AKM Nazrul Islam.

He also mentioned that somebody has stolen the equipment breaking open the window.

The stolen equipment includes microscope, camera, lens, micropipate and chemicals.
