Human Resources Manager

Bangladesh Internet Press Ltd. (BIPL) started its journey around five years ago. In these five years, we have witnessed tremendous growth with turnover increasing almost five times in five years with the number of employees increasing from the initial 5 to now over 70. During this period, BIPL also obtained ISO 9001:2000 certification.

In order to sustain this momentum, we are now looking for an HR Manager who will take charge of the Human Resource concerns of BIPL and who can manage three HR Department colleagues, other subordinates and the general office infrastructure. The duties of the HR Human Resources Manager will include:

- Recruitment and selection including media and Internet advertising, pre-screening of applications, writing offer letters, and conducting reference checks on candidates and final selection.
- Benefit administration and compensation management.
- Maintain the documentation and procedural needs of HR - Administration under ISO 9001:2000.
- Assess training needs of employees and review training effectiveness and organize in-house training programmes in cooperation with Training Manager and conduct new employee orientation / induction programmes.
- Procurement Management (as per ISO 9001:2000 specified procedures) for the company and its projects.
- Set up and operate an Employee performance appraisal system.
- Monitoring Employee attendance and work practices and habits.
- Transport Management, Inventory Management of Company fixed assets, stores and manage the maintenance of all company assets and facilities.

If you have a proven track record in Human Resources Management in preferably in a preferably large IT (Software) Company, please apply within 7 days of the appearance of this advertisement to the BIPL address given below. The compensation package offered will be according to your perceived ability but is expected initially in the range of Tk. 25,000/- to Tk. 30,000/- per month.
