sms chat

Hi there! CityCell brings you **dost** - the friendly SMS chat service. Now, chat without speaking at all. Find a whole new gang of interesting people waiting to be your **dost**. Connect, and then let your fingers do the talking. To register and chat, follow the steps below:

4 EASY STEPS TO FIND A dost

- 1 Register your nickname**
Think about a suitable nickname (for example Anamika) and send 'reg.anamika' to 3678. You'll get a confirmation message on registration. If the nickname already exists, you'll get a message saying so in which case you'll have to try with a new nickname.
- 2 Register your details**
After registering your nickname, you need to register your age, sex, location, profession and interest. To do this, send 'reg.a s l p i' to 3678. For example, if you are a 25 years old male student in Dhaka with interest in music send 'reg.25 male dhaka student music' to 3678.
- 3 Search for a dost**
You can search for a dost by name, age, sex, location, profession, interest, recency of registration or letter of the alphabet with which your dost's name begins. For example, SMS 'shar' to search for dosto whose names begin with 's' or 'sh'. For dosto in Dhaka or 'sh.in.music' for dosto with a passion for music.
- 4 Buzzing a dost and blocking a nick**
To chat with a dost (for example: to say 'how r u?' to Anamika), send 'anamika.how r u?' to 3678. If you want to block someone (for example: Anamika) from sending you buzzes send 'blk.anamika' to 3678. To unblock send 'unblk.nick' (for example 'unblk.anamika') and send to 3678.
