IRG International Resources Group

Career Opportunity

International Resources Group (IRG), winner of the US Government Contractor of the Year Award in 2004 – the only USAID contractor to receive this distinctive honor – is an international professional services firm that for over 25 years has helped governments, the private sector, communities, and households manage critical resources to build a cleaner, safer, more prosperous world. Since 1978, IRG, which is based in Washington, USA, has completed over 600 contracts in more than 135 countries, delivering high-quality, cost-effective services that promote positive economic growth, institutional and social change, and intelligent use of resources—human, physical, environmental, financial. IRG was recently awarded a major new contract to implement a \$ 95 million USAID Economic Growth Project in Senegal that aims to provide technical expertise and management in areas related to accelerated growth, increased competitiveness and trade.

Enterprise Development and Export Promotion in Bangladesh

International Resources Group is seeking experienced Long- and Short-term Technical Experts for an upcoming multi-year, USAID-funded, integrated private sector development program in Bangladesh. The key areas of focus for the project team will include: enterprise development, export promotion, agribusiness, business development services, market linkages, association development, and an enabling business environment.

Qualifications:

- At least eight years of relevant professional experience in SME development, export promotion, business association/BDS development, regional trade promotion, and finance;
- Prefer sectoral expertise in textiles, leather products, footwear, plastics, handicrafts, jute, light engineering, agricultural products, agribusiness, fisheries, and/or IT
- Degree in business, economics, finance, and/or international trade preferred.

To apply:
Send electronic resume and cover letter to EconomicGrowth@irgtd.com with Bangladesh in the email subject line. Please no phone calls or general inquiries to this address; refer to www.irgtd.com for more information on IRG.

Save the Children UK

JOB VACANCY

Save the Children UK invites applications from qualified Bangladeshi nationals for the position of **Programme Manager - Education, for the Basic Education for Active Citizenship Programme.** Save the Children UK along with children, government and other stakeholders, will develop methods that demonstrate quality, inclusive education and promote children's involvement in school and community decision-making.

Key responsibilities:

- Contribute to strategic planning and review processes at country and thematic level to all thematic programme.
- Prepare project plans, proposals, budgets and annual operational plans including impact-monitoring frameworks
- Contribute to the development of a clear advocacy plan for the thematic programme and assist head of programme in carrying out advocacy and policy-influencing activities
- Prepare various reports including quarterly/annual reports and project reports as per donor requirements
- Monitor programme/project budget on a monthly basis correct project plans and budget accordingly, ensure they remain realistic
- Identify capacity building needs and plan and implement capacity building initiatives for the partner organisations and other stakeholders. Orient partners, contractors and consultants on the child protection policy as detailed in the organisational guideline.
- Promote Save the Children's child-centred, inclusive education agenda along with children, community, partners and government

The incumbent must have the following:

- At least five years of experience working in NGOs or other development organisations in programme management capacity
- Experience of managing projects, preferably focused on education and/or social mobilisation, with and through partner organisations and/or government
- Excellent analytical skills with the ability to take initiative independently as well as part of a team
- Understanding of the overall child rights situation in Bangladesh
- Excellent spoken, reading and writing skills in English & Bangla with the ability to produce high quality analytical reports and proposals
- Understanding of the complex issues that affect children's access, participation, inclusion and retention in education in Bangladesh, especially in regards to working, disabled, and minority children, and girls
- Post-graduate qualifications in social sciences or equivalent experience in a similar position

Monthly Salary range will be taka 33,000.00 - taka 41,000.00. Higher salary may be offered for highly experienced candidate

The job description and an application form can be collected by sending an e-mail to jobs@scfbd.org, writing **Application Form** in the subject line or by collecting a hard copy from the address below.

Completed application forms should be submitted only in hard copy with a detailed and updated CV and cover letter to the address below, on or before 5th February 2006. Write the title of the position on the top of the envelope and addressed it to: **Human Resources Manager, Save the Children UK Bangladesh Programme, Plot 9, Road 16, Gulshan-1, Dhaka 1212. Please DO NOT attach any photographs.** Only short-listed candidates will be contacted for an interview, and no other correspondences will be entered into.

Save the Children is committed to Children's Rights.
We have a responsibility to ensure the protection and safety of children while they are in contact with staff members. Recruitment to jobs involving regular contact with children will include specific checks and procedures in accordance with the Child Protection Policy.

Save the Children is an equal opportunity employer.

IMW **GETCO**

IMW INDUSTRIES OF CANADA APPOINTS GETCO AS ITS AUTHORIZED SALES REPRESENTATIVE FOR BANGLADESH AND ESTABLISHES IMW WHOLLY OWNED AND OPERATED CNG SERVICE COMPANY IN BANGLADESH

IMW Industries Ltd. of Chilliwack, British Columbia, Canada is pleased to announce the official appointment of GETCO Ltd. as its authorized sales representative for Bangladesh. For CNG station servicing and aftermarket support, IMW has established its wholly owned and operated Bangladesh company operating as I.M.W. CNG Bangladesh Ltd.

A product seminar on CNG stations and IMW products is scheduled for early February, 2006 in Dhaka. Together with GETCO, IMW offers single source solutions for CNG business development, station design and approvals, installation services, commissioning, preventative maintenance, and complete aftermarket support.

Founded in 1912 near Vancouver, Canada, IMW has over twenty years of CNG station manufacturing experience in CNG compressors, dispensers, and related components. IMW is an ISO 9001:2000 certified company and has hundreds of CNG stations in operation on five continents worldwide. IMW was recognized as British Columbia, Canada's Top Export Manufacturer of the Year for 2004.
