WORLD HEALTH ORGANIZATION
VACANCY NOTICE: BAN CAH /2006 (R)
DATE OF ISSUE: 03 February 2006

Title: National Consultant **Duration:** 12 months under Special Services Agreement
Official Station: Dhaka, Bangladesh **Organizational Location/Unit:** WHO, Bangladesh
Objective: Coordination of WHO input in planning, implementation and evaluation of interventions in particular as they relate to Integrated Management of Childhood Illness (IMCI).

As a member of the WHO Team in the country, under the general guidance and supervision of WHO Representative, the incumbent is expected to assist the Directorate General of Health Services and other related government, non-government partners in achieving the following objectives and work relating to each of them:

- Assist the Government of Bangladesh (GoB) and its related partners in the development and update of strategic and operational plan for implementation, building national capacity for implementation, monitoring and evaluation of child health activities, in particular as they related to integrated Management of Childhood illness (IMCI) and Infant and Young Child Feeding (IYCF) in order to achieve child health related MDGs.
- To promote strategies for reducing newborn mortality and improving newborn health and to assist GoB in building national capacity for their implementation.
- To coordinate with institutions/agencies in various interventions related to child health;
- To collaborate with GoB and other partners in promoting child's right;
- To collaborate with school health programmes of DGHS;
- To assist the Ministry of Health and Family Welfare to coordinate with the partners, within and outside the government to facilitate concerned action support to the government in mobilization of resources;
- Perform other relevant duties assigned by WHO Representative to Bangladesh.

Qualifications required: Education and Skills: MBBS and Post graduate degree in Child Health and related field. MPH degree would be an added advantage.
Experience: Minimum 10 years experience in child health and neo-natal health care and related field. IMCI experience is an asset.
Knowledge, abilities & skills, including personal qualities & human relationships: Excellent knowledge on national and international health related information. Excellent participatory management and interpersonal skills. Ability to work independently and make important decisions. Willing to travel for field visits in the country, and to attend workshops and conferences.
Languages required and the level & nature of their use: High level of proficiency in English and Bengali. Skills in report writing. Proficient at using a computer to produce reports, prepare correspondence, compose E-mails and create multi-media presentations. Knowledge of Acrobat Reader, MS Word, Excel, Power Point are desired.
Current monthly salary: Tk. 66,000.- per month.
Closing date for applications: 22 February 2006.
Applications should be transmitted in two copies quoting vacancy number.
NOTE:
Applicants should submit a brief resume of their relevant experience and other qualifications together with completed personal history form and give reasons for being suitable for the post. A Personal History Form and detailed vacancy notice can be downloaded from www.who.org or can be obtained from WHO. Applicants are advised to send their applications by registered/courier mail to: The WHO Representative, House No.12, Road No.7, Dhanmondi R.A., and Dhaka 1205. A written test and a computer software skill test using MS Office will be held only for the short listed candidates. We regret that due to large volume of applications normally received, applications cannot be acknowledged individually. **WHO has a smoke-free environment and does not recruit smokers or other tobacco users.**
