AN OPPORTUNITY TO BUILD A CAREER WITH THE GLOBAL LEADER IN THE FINANCIAL SERVICES INDUSTRY

Citigroup, with its record net after-tax income of USD 24.58 billion in 2005, 200 million customer accounts, 300,000 employees around the world, presence in over 100 countries and among the top 10 most diversified companies - is the "World's most respected financial services company" as quoted by The Financial Times...

As a market leader in the financial services industry, we have a strong commitment to our clients, to each other and to the franchise. In Bangladesh, Citibank, N.A. - the local legal vehicle of Citigroup, has an expanding business in Dhaka and Chittagong. We are in the process of strengthening our Operations Department to ensure seamless processing of ever increasing volume, proper control, robust and effective customer friendly cash management and trade services. We are currently looking for experienced bankers to be appointed for the below mentioned positions:

Manager-Trade / Financial Institutions Operations (Multiple Positions)

The incumbents are expected to efficiently lead their own units to ensure better service delivery in Import / Export / Financial Institutions operations and lead a team of professionals.

- Minimum 7 years of experience in trade operations with a respectable financial institution
- Excellent knowledge of foreign trade and related regulations
- Masters in commerce or MBA
- Demonstrated leadership capabilities with excellent people management skills

Assistant Manager - Trade/Financial Institutions Operations (Multiple Positions)

The incumbents are expected to support their respective managers as well as lead a team of professionals to ensure better service delivery in Import / Export / Financial Institutions Operations.

- Minimum 5 years of experience in trade operations with a respectable financial institution
- Adequate knowledge in foreign trade and related regulations
- Masters in commerce or MBA
- Ability to work independently and in a team

Senior Officers, Officers and Assistant Officers - Trade / Financial Institutions Operations (Multiple Positions)

The incumbents are expected to carry out their relevant transactions with proper due diligence and care to ensure better service delivery in Import / Export / Financial Institutions Operations.

- Minimum 3 years of experience in trade operations with a respectable financial institution is required for Senior Officer. 1 - 2 years relevant experience is preferable for Officer and Assistant Officer
- Sufficient knowledge of foreign trade and related regulations is required for Senior Officer
- Masters in commerce, economics, statistics, mathematics or MBA
- Ability to work independently and in a team

Head of Remittance

This is a senior level position in the Operations Department. The person will head the remittance unit to manage all outward, inward and wage earners' remittances. S/he must be control focused to ensure compliance to all central bank as well as internal regulations.

- Minimum 10 years of banking experience with at least 5 years in the area of both corporate and individual remittance with a respectable financial institution
- Excellent knowledge of local regulatory environment
- Masters in commerce or MBA
- Leadership with excellent people management skills

Head of Domestic Account Services

This is a senior level position in Operations Department with responsibility of centralized account opening functions. The position will also manage the Govt. securities/bonds and time deposits.

- Minimum 10 years of experience in General banking with 3-5 years in the area of Account services with a respectable financial institution
- Excellent knowledge of local regulatory environment
- Masters in commerce or MBA
- Leadership with excellent people management skills

Senior Branch Operations Officer, Motijheel

This position heads the operations function of the branch. The person will lead the branch operations team to ensure smooth day-to-day operations.

- Minimum 7 years of experience in operations specially General banking with a respectable financial institution
- Excellent knowledge of local regulatory environment
- Leadership with excellent people management skills
- Excellent customer service capability
- Masters in commerce or MBA

Manager Process re-engineering

This position is expected to work closely with the Operations and Technology team to find and implement the most effective solutions to various operational/ service issues or process improvement needs. The person will continuously focus on bringing innovative and productive changes to make the Operations & Technology functions effective and efficient.

- Minimum 5 years of experience in operations with a respectable financial institution
- Strong system knowledge
- Preferably engineer with an MBA degree
- Ability to work independently and in a team

Assistant Manager - Agency and Trust / Custody

This is a key position and will be responsible for handling various remittance, local disbursements and custodial services as per the terms and conditions specified in the Agency and Trust agreements between the bank and the customer.

- Minimum 5 years of General banking experience with a respectable financial institution
- Excellent knowledge of local regulatory environment
- Masters in commerce or MBA
- Ability to work independently and in a team

Assistant Manager/Senior Officer Collection and payments

The person(s) will look after the collection and payments function. For collection, the person will closely work with the correspondent banks, co-ordinate with the nationwide locations to ensure on time collection of the sales proceeds for the corporate customers.

For Payments function, the person will handle issuance of payments instruments, liquidations, and ensure funding as per arrangement.

- Minimum 3-5 years of General banking experience with a respectable financial institution
- Excellent knowledge of local regulatory environment
- Masters in commerce or MBA
- Ability to work independently and in a team

Senior Officer, Officer and Assistant Officer-General banking (Operation)/Foreign remittance (Multiple Positions)

The person(s) will join the General banking and remittance team of the bank in view of the expanding business. The positions will handle day-to-day transaction processing in Account Services, Funds Transfer, Clearing and remittance.

- Minimum 3 years of experience in General banking operations with a respectable financial institution is required for Senior Officer. 1 - 2 years relevant experience is preferable for Officer and Assistant Officer
- Sufficient knowledge in related regulations is required for Senior Officer
- Masters in commerce, economics, statistics, mathematics or MBA
- Ability to work independently and in a team

High ethical standards, computer literacy, strong communication and interpersonal skills are must for all positions.

We are an equal opportunity employer

Envelopes with application must be clearly marked for the position applied for and should be sent to Head of Human Resources, Citibank, N.A., 109 Gulshan Avenue Dhaka - 1212 on or before 14th February, 2006. Individuals without relevant experience in financial institution are requested not to apply. Only short listed candidates will be called for interview.
