Memo No. NIPORT/Research-743/R Studies/Collaboration/2006/358 Date: 02/03/2006

**Subject: Request for Expression of Interest (EOI)**

Under the "Research and Development Research Studies" of the Operational Plan "Training Research and Development (Revised)" of Health Nutrition and Population Sector Program (HNPSPP), National Institute of Population Research and Training (NIPORT) intends to procure services in order to conduct the following six research studies:

- Knowledge and behavior of ANC, Delivery and PNC service users and non-users
- Identify ways and methods for popularization of sterilization methods
- Follow up of IUD clients to assess the side effects/complications
- Assess training need for supportive supervision at different levels
- Involvement of local government in management of FP-RH services
- Assess current situation of quality of care in RH-FP services

The NIPORT now invites eligible research firm(s) to indicate their interest in providing the above-mentioned services. Interested research firm(s) must provide information indicating that they are qualified to perform the services (brochures, description of similar assignments, experience in similar operating conditions, availability of appropriate experiences, professional qualifications among staff, resources to carry out the assignments, administrative strength and financial capability etc). The research firm(s) may associate to enhance their qualifications.

The research firm(s) will be selected in accordance with the procedures set out in the Public Procurement Regulations 2003 (with latest amendments) and Public Procurement Procedures issued by the GOB.

Interested research firm(s) may obtain further information at the address above during normal office hours.

Expression of Interest shall be submitted in sealed envelope to the address above by 27 March 2006. The envelope should be clearly marked Request for Expression of Interest for Research and Development: Research Studies.
