Concern Worldwide is a non-governmental, international, humanitarian organisation dedicated to the reduction of suffering and working towards the ultimate elimination of extreme poverty in the world's poorest countries. Concern established operations in Bangladesh in 1972. Today in partnership with local and international organisations, Concern engages in long term development work, responds to emergency situations, and seeks to address root causes of poverty through advocacy in our health, education and livelihoods security programme.
Concern Bangladesh will shortly commence work on its Nodi o Jibon Project which will be implemented over a five year period with a primary focus on extreme poverty in 83 island chars in 24 unions of Nilphamari, Lalmonirhat and Pabna Districts. Nodi o Jibon project will advocate for greater services and resources being allocated to the island chars with the primary message that services on the island chars should be of comparable quality to those provided on the mainland and proportional to the levels of poverty that exist relative to the mainland. Through this project 10,000 extreme poor families in selected island chars will benefit from expanded NGO services, improved GoB services, private sector linkages and foundation investments. The project will work with a number of partners organisations and wide range of stakeholders to achieve the objective and is therefore seeking to fill a number of key positions.
1. Team Leader
This is a senior position within the organisation and will be based in Dhaka with overall responsibilities for the direction and management of the project.
Main Responsibilities of the position:
• Provides leadership, strategic guidance and support to partners and Concern staff in project implementation.
• Advocates at national and international level.
• Guide the project to develop an effective M&E system to produce effective information for decision making and advocacy.
• Liaise with government ministries and donors and other national stakeholders
• Represent the project at national and international level
Requirements:
• Masters in Development Studies/Social Sciences or National resources
• Minimum 10 years experience of leading and managing livelihoods programmes
• Good understanding of government and donor policies especially policies and priorities of foundation donors
• Ability to work with senior government officials and head of donor organisations.
• Ability to prepare high quality reports and presentations
• Ability to advocate and represent Concern at national and international level.
2. Partnership Coordinator
This position will be based in Rangpur with frequent travel to project locations.
Main Responsibilities of the position:
• Guide and support the implementing partner NGOs and Concern's direct implementation team to provide expanded services to the target people.
• Provide guidance to PNGOs and direct implementation team in planning, implementation, monitoring and evaluation
• Ensure capacity building/technical support to PNGOs through training and mentoring.
Requirements:
• Masters in Development Studies/Social Sciences or National resources
• Minimum 5 experience in project management and working with local PNGOs
• Significant experience in local partner capacity building, institutional development and M&E.
3. Information Management Coordinator
This position will be based in Dhaka with frequent travel to the field.
Main Responsibilities of the position:
• Guide and Support M&E officer in the development of an effective M&E system
• Support the Research & Documentation Officer to coordinate the research/study required
• Analyse the information, prepare reports and suggest necessary changes to project plan.
Requirements:
• Masters in Development Studies/Social Sciences or communications
• Minimum 10 years in research, M&E and information management.
• Good understanding of government and donor priorities in development
• Proven experience in coordination and supervision of baseline surveys, impact assessments and project reviews.
4. Partner Liaison Officer (two positions)
One position based in Pabna and one position based in Lalmonirhat.
Main Responsibilities of the position:
• Responsible for providing guidance and technical support to local partners.
• Project monitoring.
• Participatory capacity assessments and implementation of capacity building strategies for local partners.
Requirements:
• Masters in Development Studies or relevant discipline
• Minimum 5 years experience of working in livelihood projects
• At least two years experience in managing partners.
We offer: excellent working environment with a competitive salary and a challenging career progression opportunity.
How to apply: If you meet the above requirements for any of the above positions, please send a resume together with a covering letter indicating the position you are applying for and why you think you are a suitable candidate for the position, a copy of a recent passport size photograph and names and addresses of three referees by 30 March 2006 to: Human Resources Department, Concern Bangladesh, G.P.O. Box. 650, Dhaka-1000.
Please mark the envelope with the position applied for. Any canvassing will result in the withdrawal of an application. Due to the volume of applications, only candidates called for interview will be contacted.
