We shape-up your teaching skills to International Standard

International Training Center (ITC), a high-end specialized training arrangement jointly brought in by globally recognized 'Edexcel' of UK and STS Group, a group celebrated for its uncompromising commitment to quality education and healthcare through ventures like **International School Dhaka (ISD)** and **Apollo Hospitals Dhaka**, is going to initiate its formal operations in April '06.

At ITC, our high-tech **English Language Teaching Lab (ELT Lab)** is ready to deal with any limitations you may feel you have with your accent. From group and individual intensive practice session at the Lab, you would rarely find any match to our teaching programmes.

In our Edexcel's Level 5 Teachers' Training Programme, learners are required to acquire sound knowledge on Information and Communication Technology. With its state-of-the-art **ICT Lab**, ITC is set to bridge the gap between theory and practice.

For all our trainees, we don't take them out of the center rather bring in students of leading English Medium Schools into the **ITC Lab School** where our trainees will get teaching practicing experiences through specially designed lecture modules by the ITC's own teachers' training trainers.

Comprising of outstanding faculty with Ph.D and Post Graduation from England and Canada; ITC is set to introduce a new trend of professional teachers' training in Bangladesh by emulating the 21st century trend of ICT based professional training in the developed world.

Committed to follow and implement NQF (National Qualification Framework) **Level 5 Professional Teachers' Training Programme of UK** awarded by Edexcel, ITC is the lone institute of the country to offer such certification.

To facilitate participation of full-time teachers, special arrangements have been made to impart lessons between 4pm-8pm.

Admission forms are available for the first intake of Edexcel's Teachers' Training Programme of ITC. Interested persons who are teaching in English Medium Schools, A Level graduates and university graduates having at least a higher second class, are invited to collect the Admission Form and Information Kit from **ITC Admission Office** from April 12 '06.
