Career Opportunities for Health and Micro credit Professionals

An international Christian humanitarian development organization has openings for qualified candidates regardless of their race, religion and gender for the following positions in their Health and Micro Enterprise Development (MED) Units in different program locations.

Accountant: (based in National Office - Dhaka)

The purpose of this position is to carry out the accounting and financial reporting functions of the MED Head Office and assist the Finance Manager in ensuring compliance with the MED financial and loan policies in such areas as, but not limited to budget, cash management and forecasting, investments, recordings and documentation, branch auditing, and financial reporting.

Candidate should be University graduate with a major in Finance or Accounting with a minimum of three years working experience in a supervisory role with strong accounting skills and have proven knowledge of Accounting Principles and a practical knowledge of financial systems and internal controls. Excellent Computer literacy and working knowledge of spreadsheet applications is essential. He must be willing to travel to project locations and work under pressure.

Credit Officer/Assistant Credit Officer: (based in Dhaka, Narayanganj, Savar, Kaliganj, Nawabganj, Gazipur, Khulna, Chitalmari, Satkhira, Asasuni, Mongla & Dacope, Mymensingh, Phulpur, Haluaghat, Dhubaura, Bhaluka and Jalchatra)

This position provides credit services to its target communities and helps individuals and groups achieve their full entrepreneurial potential to enhance their quality of life. Responsibilities cover all aspects from searching for, evaluating, screening, training clients to other support services in order to develop and sustain a lasting business relationship. Specific responsibilities include identifying Micro credit target clients by screening and conducting project feasibility studies and disbursement of Loans and recovery of loans and documentation of transactions.

Candidate should be a graduate preferably in Economics/commerce/business with a minimum of one-year experience. He should possess excellent interpersonal and communication skills. He should be a computer literate with proven working knowledge of excel spread sheet applications.

He should be willing to work and reside in the program location. Must be able to drive bi-cycle and motorcycle with valid driving license.

Branch Accountant: (based in Dhaka, Mymensingh & Khulna)

The purpose of this position is to implement financial policies, budget and cash management, forecasting, investments, recordings and documentation, branch auditing, and financial reporting and providing financial advise to the Senior Credit Officer at Branch level.

Specific responsibilities include providing assistance to the Senior Credit Officer in the preparation and monitoring of annual budgets, advance reconciliation and monitoring the accounting activities of Loan Officers.

The candidate should be a postgraduate with a major in Finance or Accounting and with a minimum of three years working experience in a supervisory role with strong accounting skills. He must have a proven knowledge of Accounting Principles and a practical knowledge of financial systems and internal controls. Should also be a computer literate with a proven working knowledge of spreadsheet applications. He must be willing to travel to program locations frequently and able to work under pressure.

Book Keeper: (based in Dhaka, Khulna & Mymensingh)

The purpose of this position is to maintain the books of accounts, loan records and collection and disbursement records and preparation of necessary client accounts for the program location and report to senior credit officer.

Candidate should be a commerce graduate with one-year working experience in book keeping. Working knowledge of MS Word and Excel is essential.

Health Program Specialist:

The purpose of this position is to implement and monitor health programs in assigned projects; located in Upzila level, maintain required professional standards for delivery of health services and provide technical supervision to health-based staff located in the assigned projects.

Candidate must possess MBBS degree preferably with MPH from government-recognized university. A minimum of three years experience in public health programs in NGOs/INGOs is desirable. S/He should have sound knowledge of public health situation and programs in Bangladesh, clear understanding of government's strategy and approach and sound understanding of health practices and policies being implemented by NGOs/INGOs. The incumbent must be computer literate with proven ability in MS office.

- * Salary commensurate with qualification and experience.
- * Only short-listed candidates/applicants will be called for interview.
- * Please mention the position applied for, at the top of the envelope, before it is mailed.
- * Any personal persuasion will result in disqualification.
- * Women are encouraged to apply.

All applications must include a complete, updated Curriculum Vitae, one recent passport size photograph and attested photocopy of academic and employment certificates (if any) by 20th April 2006 to:
