

Request for Proposal

Behavioral Surveillance Survey (BSS) – 6th Round Under USAID/Bangladesh Cooperative Agreement Bangladesh AIDS Program (BAP)

BSS is generally being undertaken on an annual basis to a) document behaviors leading to vulnerability for HIV infection among selected population groups; b) determine trends of behaviors over the rounds of surveillance.

Groups surveyed in the last five BSS included, female (hotel, street and brothel based), male and transgender prostitutes, men who have sex with men, injection drug users, Heroin smokers, Truckers, Rickshaw pullers and students. Groups to be selected on the sixth round are expected to be similar to those of the previous rounds but would be finalized after a surveillance consensus meeting where all stakeholders including Government, UN body, World Bank, NGOs, CBOs would present.

Family Health International, Bangladesh seeks proposal to conduct the above mentioned survey. Detailed information on this can be obtained through mailing to hr@fhi.org. Interested and qualified agencies should present a RFP to conduct the proposed study to FHI/Bangladesh no later than close of business on 30 April, 2006 to the following address:

Employment Opportunities UNIDO

The United Nations Industrial Development Organization seeks to appoint a highly qualified Bangladeshi male and female national as Coordinator of the Quality Management component of the EU/UNIDO Bangladesh Quality Support Programme. The overall objective of the programme is to contribute to economic growth and poverty reduction through support to export industries. The quality management component will assist in upgrading quality management, testing and certification to accepted international standards. The project is scheduled for 4 years.

Required Qualifications and Competencies : Advanced university degree in engineering or any other relevant science with specialization in quality testing and management from any recognized university. A minimum of 15 years experience in laboratory testing and quality management, and with at least five years at management level is required. The incumbent should have a) analytical planning and organizational skills; b) ability to find innovative solutions to problems; c) team leadership and interpersonal skills; and d) multi-cultural sensitivity. Excellent communication skills in both English and Bangla are a must.

Contractual Status and Entitlements : The successful candidate will be employed for a probationary period of 3 months to be followed, upon satisfactory completion of the probationary period, by a one-year renewable contract. Salary will be on the UN local remuneration scales, according to qualifications and experience.

Submission of Applications : Application including a UNIDO Personal History Form (PHS1/2/3), downloaded from UNIDO's employment web page (<http://www.unido.org>) and cover letter should be sent to: The Chief Technical Adviser, Bangladesh Quality Support Programme, Bangladesh Standards and Testing Institution, 116-A, Tejgaon Industrial Area, Dhaka - 1208 by 27 April 2006, preferably by email to hqsp@ranksitt.net. The post title should be clearly marked on the envelope. Incomplete applications will not be considered. Only short-listed candidates will be contacted.

Unsolicited interventions aimed at influencing the selection process in favour of a particular candidate will lead to the immediate disqualification of the recommended candidate.

UN Offices are a smoke-free work environment.
