MESSAGE

MINISTER
Ministry of Communications
Govt. of the People's Republic of Bangladesh

I am, indeed, very happy to see that CEMS - Conference & Exhibition Management Services Ltd. is organizing the "Dhaka Motor Show 2006", the biggest International Exhibition for the Automotive world of Bangladesh, being held from April 27 - 29, 2006 at the Bangladesh - China Friendship Conference Centre, Dhaka. I appreciate the effort CEMS, although being a Private Company, has been giving to enhance Trade / Business and economy of our Country by organizing Exhibitions on various subjects for the last 14 years.

The Automobile market of Bangladesh is growing every year with New Cars, Motorcycles and Commercial vehicles coming on the road each day and alongwith this expansion, there is also a need for growth in the Automobile Component arena to meet the demands of the vehicles on the road.

I am impressed to see the in this Motor Show the active participation of New Car/ Motorcycle Distributors alongwith Banks, Lubricant companies, Workshops, CNG Conversion companies and also to mention the Automotive Component Manufacturers from Bangladesh and abroad, all assembled under one roof to bring forward new products / services which are available for the End- Consumer and also at the same time, enhance trade in the respective arena.

By means of such a Show, there is a definite need for the Financial Institutions to come forward and make their Credit / Loan products easily accessible to the ever-expanding Middle-Class segment of Bangladesh and I hope they would bring forward products which will cater easy credit facilities. Also the participation of CNG Conversion companies will further help in educating existing Car owners to know how they can run their Cars on CNG which not only is economical but also Environment friendly. Lastly to mention, I would like to urge the Business community to invest or go for Joint-Ventures in the Automotive Component industry where we will be able to curtail our imports of Spare parts if we produce them locally, which is of great potential.

I hope the "Dhaka Motor Show 2006" will play an important role by assembling all the Product / Service providers of the Automotive Industry on one platform to appraise the people of our country, the latest developments and technology available for them.

I wish a grand success of this Motor Show and wish the International participants a pleasant stay in Bangladesh.

MESSAGE

CEMS[®]

It gives me great pleasure to present to you a yet another feather in our cap with our "Dhaka Motor Show 2006", adding a new Exhibition to our line-up of 14 Exhibitions a year, which is the biggest Exhibition for the Automotive world of Bangladesh being held at the Bangladesh - China Friendship Conference Centre from April 27 - 29, 2006.

The "Dhaka Motor Show 2006" will provide a great opportunity to people to have first-hand knowledge about the new products / services available in the market in the Automotive sector as we have assembled not only the Distributors of new cars in the show, but also to be seen are CNG Conversion companies, Financial Institutions offering loan facilities, Workshops, Accessories suppliers, etc and on the other hand, we have emphasized on the Auto Component manufacturers participation to also enhance trade in this sector.

We extend our sincere thanks to our Chief Guest Hon'ble Barrister Nazmul Huda - Minister for Road Transport & Communications, who has kindly consented to inaugurate the Dhaka Motor Show 2006 and Special Guests - H.E. Mr. Matsushiro Horiguchi - Ambassador - Embassy of Japan - Dhaka, Mr. Niaz Rahim - Director-Rahimafrooz Group, Officials from Standard Chartered Bank and Mr. Deepak Adhikary - DGM - SEDF - IFC - World Bank Group.

We also extend our sincere thanks to all the participating Exhibitors, without whom this Exhibition would not have been possible. We wish one and all a successful Exhibition and welcome the visitors to the "Dhaka Motor Show 2006".
