The Security Printing Corporation (Bangladesh) Ltd

Gazipur

Tender for Supply of PS Plate & Sprinkler Head

Sealed tenders are hereby invited from the competent supplier/manufacturer/dealer for supply of above material as per under noted schedule. Tender paper showing terms and conditions with specification will be available from the office of The Security Printing Corporation (Bd.) Ltd, Gazipur and its Liaison Office at Annex Building-1, 6th Floor, Bangladesh Bank, Dhaka-1000 during Sunday to Thursday between 2:00pm to 4:30pm against an application in the letterhead pad from the respective firm.

Sl No.	Name of the item	Date of selling of tender schedule	Date for dropping of offer	Date & time for opening of tender	Value (non-refundable) per set of schedule
1.	PS Plate and Sprinkler Head	From 7-5-2006 to 21-5-2006	4-6-2006 up to 3:30pm	5-6-2006 at 11:00am	Tk 100.00

Earnest money @ 3% (three percent) of the total tendered amount shall have to be submitted in the form of Bank Draft/Pay-Order along with the tender in favour of the Security Printing Corporation (Bd) Ltd, Gazipur. Tender without earnest money shall not be acceptable. The tender(s) under sealed cover addressed to the Managing Director, The Security Printing Corporation (Bangladesh) Ltd, Gazipur shall have to be dropped in the tender box kept in Corporation's Office at Gazipur and its above addressed Liaison Office but all the tender(s) to be received will be opened together at Corporation's Office Gazipur as per schedule mentioned above in presence of tenderer(s) if any. Tender may be sent also through postal/courier services which must be reached within the scheduled deadline. 1(one) tender schedule is applicable only for one supplier/manufacturer/dealer for submitting one offer along with earnest money. Submission of tender after the specified time shall not be acceptable under any circumstances and will be returned in intact condition. The authority reserves the right to reject or accept any tender(s) without assigning any reason whatsoever.

Lafarge Surma Cement Ltd.

A company of LAFARGE and CEMENTOS MOLINS

Opportunity with the world leader

The world leader in building materials Lafarge of France and the famous Spanish cement producer Cementos Molins are building an integrated cement plant at Chhatak, Sunamganj. This 1.2 million mt/yr cross-border Lafarge Surma Cement Ltd. project is almost complete. It is looking for competent, qualified and experienced candidates to fill the following positions based at the Plant at Chhatak, Sunamganj.

SAFETY OFFICER The incumbent will be responsible for preventing work-related injuries and accidents at the plant site and achieve Lafarge goal of zero accident.
Requirements
• Graduate in Engineering (any branch) with 3 to 5 years experience in similar position preferably in a manufacturing industry.
• Technical expertise in analysing numerical and claims data and industry performance measures such as Loss Time Injury Rates, Frequency Rates etc.

CHEMIST The incumbent will be assisting the Quality Assurance Manager for Quality monitoring, control and Quality Assurance matters.
Requirements
• Master Degree in Chemistry (Inorganic / Industrial) with at least 3-5 years experience in cement/ continuous process plant laboratory.
• Person should have extensive hands on experience of chemical and physical analysis methods, both conventional and instrumental, used for testing of Cement and cement raw materials.
• The person should be well conversant with working and maintaining XRF analyzer and should have in-depth knowledge of the process, sampling methods, quality and process control techniques used in the plant as per national / international standards. Experience of implementing and maintaining ISO - 9000 Quality System will be an added qualification.

MATERIAL HANDLING OFFICER The incumbent will be responsible for overall material handling activities within the plant
Requirements
• Graduate in any discipline or diploma in engineering with 3-5 years experience in material handling function including loading / unloading of raw materials in a Cement Plant or other Heavy Industry / Port
• Maintenance experience of material handling equipments like belt conveyor and earth moving equipment like pay loader, tripper and unloading crane will be a definite advantage.
• Good supervising skill is a must

LABORATORY TECHNICIAN The incumbent will be a member of the Quality Assurance Team and will contribute in all aspects of Quality monitoring and Quality Assurance matters.
Requirements
• Bachelor Degree in Chemistry / Diploma in Chemical Engineering, with at least 3 to 5 years experience in cement/ continuous process plant laboratory.
• Person should be well conversant with sampling, sample preparation methods, chemical and physical analysis methods, both conventional and instrumental, used for testing of inorganic materials.
• The experience of working on XRF analyzer will be an added qualification.

If you are a match to any of the above positions, please send your application along with a recent passport size photo to the following address within 18 May 2006. Please mention on the envelope the position you are applying for. You can also email your CV at recruitment@bd.lafarge.com.
