(For 2006-'07 session)

Education makes a nation. We take education not as a conventional business, but a challenge and commitment to the nation. We have adopted the most up to date teaching methods as practised in developed countries. We have departed from old fashioned teaching by lecturing, instead we teach students by interactive learning.

Our key features include:

- British National Curriculum highlighting moral values and local culture.
- A team of dedicated teachers with A-Level background.
- Zero tolerance policy for speaking any language other than English in the school premises.
- Special Qur'an classes for Muslim students, hence, no house tutor required for this purpose.
- Lessons are activity based in order to boost students' confidence.
- Large well-decorated and air conditioned class rooms.
- Spacious playground and amusement facilities.
