Broaden your horizons with an international partnership

If you are looking to partner a successful international business, this is your opportunity.

Incorporated in 2004, Western Airducts Lanka (Pvt) Ltd is a Sri Lankan BOI approved company and a joint venture of Western Airducts Bath Ltd of UK, which holds a 70% investment and share ownership. Today, with a state-of-the-art factory in Sri Lanka and a wide global network of distributors, it has grown to be a highly successful and profitable enterprise, operating in UK, India, Bangladesh and Singapore.

Western Airducts has been able to successfully establish themselves in Bangladesh, creating a market for their products. Exploring opportunities for expansion in Bangladesh, we are looking for business partners who share our vision to further our horizons. If you're interested in establishing a partnership, have a one to one discussion with the Management Representatives who will be present on 29th and 30th May at Royal Park Residence Dhaka.

For prior appointments please e-mail your request to nishantha@wad.com
