Concern Bangladesh is looking for ambitious Information Management Coordinator to join an ambitious project

Are you a Risk taker?

Are you interested in Development?

Are you someone who likes to take the lead?

Would you like to be part of a new challenging team?

If you answer Yes to some or all of these questions then Concern Bangladesh has the job for you

Concern Bangladesh will shortly commence work on its Nodi o Jibon Project which will be implemented over a five year period with a primary focus on extreme poverty in 83 island chars in 24 unions of Nilphamari, Lalmonirhat and Pabna Districts. Nodi o Jibon project will advocate for greater services and resources being allocated to the island chars with the primary message that services on the island chars should be of comparable quality to those provided on the mainland and proportional to the levels of poverty that exist relative to the mainland. Through this project 10,000 extreme poor families in selected island chars will benefit from expanded NGO services, improved GoB services, private sector linkages and foundation investments. The project will work with a number of partners organisations and wide range of stakeholders to achieve the objective.

A key position to finalise the team is now required Information Management Coordinator

The purpose of this position is to lead in the designing and implementation of monitoring and evaluation systems which will show impact at project and programme level. This is a challenging position working with staff, partners, donors and government to ensure quality programmes.

This position will be based in Dhaka with frequent travel to the project locations.

Main Responsibilities of the position:

- Lead the designing and implementation of Monitoring & Evaluation Systems
- Lead in the establishment of quality standards for data collection
- Lead research on safety net, health and foundation donor funding
- Guide and Support M & E officer in the development of an effective M & E system
- Support the Research & Documentation Officer to coordinate the research/study required
- Analyse the information, prepare reports and suggest necessary changes to project plan
- Project learning documentation and dissemination

Requirements:

- Masters in Information management/Development Studies/Social Sciences
- Minimum 10 years in research, M & E and information management.
- Good understanding of government and donor priorities in development
- Excellent report writing skills
- Proven experience in coordination and supervision of baseline surveys, impact assessments and project reviews.

Job details: A detailed job description, together with information on the Nodi o Jibon project can be obtained by contacting the HR Manager

We offer: excellent working environment with a competitive salary and a challenging career progression opportunity.

How to apply: If you meet the above requirements please send a resume together with a covering letter indicating why you think you are a suitable candidate for the position, a copy of a recent passport size photograph and names and addresses of three referees by 07 June 2006 to: Human Resources Department, Concern Bangladesh, G.P.O. Box. 650, Dhaka-1000.

Please mark the envelope with the position applied for. Any canvassing will result in the withdrawal of an application. Due to the volume of applications, only short listed candidates will be called for interview.
