i'miss nothing!
missed call alerts from banglalink...now don't miss out on anything
how does it work?
whether your phone is switched off or on, you will get an SMS informing you of all the calls (the numbers, the dates, the time) that came to your phone.
how to activate the service?

option 1: monthly subscription service
step 1:
• go to message option
• type SUB and send to 622
• you will receive confirmation of service activation through SMS
step 2:
• go to call divert/ forward option change divert number to 622
• for unconditional divert options, go to call divert/forward menu and insert 622
service charge: tk. 50 for monthly subscription (excluding VAT)

option 2: retrieve information each time by sending an SMS every time you receive an alert
step 1:
• go to message option
• type SUB<space>PULL and send to 622
• you will receive confirmation of service activation through SMS
• everytime you will be notified for each call missed, just sms SEND to 622 after every alert to receive the numbers and details of the calls that you have missed
service charge: tk. 2 / SMS

step 2:
• go to call divert/ forward option change divert number to 622
• for unconditional divert options, go to call divert/forward menu and insert 622
