When we're the number 1 FMCG company in the country we need people who can't bear coming second

Maintenance Manager
If you have the passion to drive & achieve excellence in Engineering at our manufacturing site based in Chittagong, then this could be a position for you.
We are looking for
an exceptional engineer who would be the focal point for factory engineering and would:
• ensure reliability of machine, equipment & utilities through preventive maintenance & trouble shooting
• have the aptitude for engineering problem-solving & ability to eliminate design flaws by systematically reviewing original design
• eventually lead the Total Productive Maintenance (TPM) initiative in the Factory
You should have
• B.Sc. Engineering degree in Mechanical or Electrical Engineering
• 7 years' hands-on experience in Maintenance / Production Management
• A thorough understanding of Occupational Safety requirements
• Excellent interpersonal skills for collaboration and teamwork

If you are prepared to compete with the best talent in the country, If you are willing to work in a high performance culture, If you desire to be part of an exciting environment, then this could be a job for You.

The job offers a competitive remuneration package, with clear career opportunities in the Unilever world for strong performers.
Please forward your CV before 27 July 2006 to: recruitment.ubl@unilever.com
