MESSAGE

It is indeed a great pleasure for me to learn that CEMS- Conference & Exhibition Management Services Ltd is organizing Three Exhibitions in one go targeted to the Export Sector of Bangladesh, "The 7th Texttech 2006," "The 3rd Machinexpo 2006" and the 2nd Bangladesh Export Services & Logistics Fair 2006" during 17-19 August 2006 at Dhaka Sheraton Hotel. I congratulate CEMS for their sincere efforts in promoting trade and economy of the country.

The timing for these exhibitions would play an important role in line with the latest machineries and technologies available for Bangladesh put on display. Also important is the highlight on the Export Services & Logistics Sector of Bangladesh with ever increasing competition in the world. The Garment Sector can also expand their share in the market abroad and at the same time can attract more foreign investment in our high profile textile industry with the upgrading of the machineries in our textile industries.

I hope these Three Exhibitions will play an important role by assembling the entire Garment & Textile World as well as the export community of Bangladesh under one roof to appraise them of the latest developments in technology available for them.

I wish the exhibitions a grand success.

Dr. Abdul Moyeen Khan MP.

MESSAGE

I am pleased to learn that three exhibitions namely 7th Texttech, 3rd Machinexpo and 2nd Bangladesh Export Services and Logistics Expo are going to be held on 17th August, 2006 under the auspices of Conference and Exhibition Management Services (CEMS).

The textile and readymade garment sectors of Bangladesh has created revolution in the private entrepreneurship contributing to the national economy. I believe that the exhibitions will offer opportunities to the existing and prospective entrepreneurs of textiles and readymade garment industries and to the interested importers, exporters, distributors, agents and local technologies of Bangladesh to see for themselves the recent technological developments that have taken place in respect a textile and garment sectors.

I hope that the exhibitions will provide an opportunity to our experts, engineers and technicians working in the area of textiles to gain valuable knowledge and contribute to our textile sector. It would definitely support the development and expansion of our textile and RMG sectors and supplement government poverty alleviation and employment generation program.

On behalf of the Federation of Bangladesh Chambers of Commerce and Industry (FBCCI), I take this opportunity to offer my heartfelt felicitations to the organizers and wish the events a grand success.

Mir Nasir Hossain
President

MESSAGE

I am happy to know that Conference & Exhibition Management Services (CEMS) Ltd. is organizing 3 Exhibitions in one go targeted to the entire business clientele of Bangladesh including the Garments & Textile World of the country, namely, 7th Texttech, 3rd Machinexpo, 2nd BSLF (Bangladesh Export Services & Logistics Expo) from 17th to 19th August, 2006 at Dhaka Sheraton Hotel.

The Textile and Clothing Industry of Bangladesh have already excelled in the international markets having Global Specialization in Apparel Manufacturing.

I hope, this exhibition will bring Producers, Manufacturers and Customers from different parts of the world under one roof to facilitate one to one business deals. Exchange of information and transfer of technology. I believe this event will also help accelerate technological advances resulting in high speed, effective quality and competitive cost to build necessary competitive EDGE for our textile & garments sector.

I wish the initiative a grand success.

(M A Momen)

MESSAGE

7th Texttech 3rd Machinexpo and 2nd BSLF (Bangladesh Export Services & Logistics Expo) being organized by the Conference & Exhibition Management Services (CEMS) on 17th - 19th August 2006 in Dhaka bear considerable significance for us. These 3 exhibitions together will serve both as an effective, single platform to familiarize state-of-the-art machinery and equipment, and export related services and logistics with the existing and prospective entrepreneurs of the textiles and RMG industries, and provide a forum for interaction on various related aspects.

We do hope that the exhibitions will usher in immense possibilities not only of establishing substantial numbers of business deals for widening marketing horizons of machinery and equipment, but also of creating awareness about the need for local production of cost-quality design competitive machinery/equipment. It is expected that the exhibitions will contribute significantly towards developing and expanding our textiles & RMG industries.

I appreciate CEMS very much for their worthy initiative to hold these 3 exhibitions together, and wish the same all - out success.

(Mir Shahabuddin Mohammad)

MESSAGE

I am pleased to know that the Conference & Exhibition Management Services (CEMS) is organizing 3 Exhibitions in one go, targeted to the entire business community of Bangladesh, in the name of, 7th Texttech, 3rd Machinexpo and 2nd BSLF (Bangladesh Export Services & Logistics Expo). These Exhibitions I understand will commence on 17th August 2006 and will continue till 19th August, 2006 at Dhaka Sheraton Hotel.

The Garment Industries of Bangladesh have key position in the export arena. Keeping in mind the potential of this sector and possibility of its further boost in exports there is definitely a need for such Exhibitions, to display the latest technology that our country can offer to gear up, and update the qualitative products to compete in the apparel world.

With the ever-increasing competition of the RMG sector, our garment business can expand its share in the apparel market abroad through continuous modernization and adoption of latest technology. They could also attract more foreign investment for our highly potential RMG sector.

I hope those 3 International Exhibitions will play an important role in gathering the entire Garment & Textile world of Bangladesh under one umbrella to appraise them about the latest developments and state of the art technology of the world.

I wish a grand success of these Exhibition.

S.M. FAZLUL HOQUE
President

MESSAGE

I am happy to learn that CEMS (Conference & Exhibition Management Services Ltd.) is organizing 3 Exhibitions in one go targeted to the entire business clientele of Bangladesh including the garment & textile world of the country, namely, 7th Texttech, 3rd Machinexpo, 2nd BSLF (Bangladesh Export Services & Logistics Expo) from 17th to 19th August, 2006 at Dhaka Sheraton Hotel.

The Readymade Garment Industry (RMG) Especially the knitwear has opened a new horizon in the export sector of Bangladesh in recent years. This sector has the potential to promote further industrial success and to boost economic development. Thus the garment manufacturers & exporters can expand their share in the apparel market abroad by utilizing modern machinery with latest technologies and attract more foreign buyers and investment in textile and apparel industry, especially in knitwear sector.

To survive in the global open market competition, such exhibition is most essential to be acquainted with garments and textile machinery and its auxiliaries of latest technologies. I hope the 7th Texttech-2006 will play an important role by assembling world class manufacturers in Bangladesh.

MESSAGE

We are honored to sponsor the 2nd Bangladesh Export Services and Logistics Fair 2006, an exposition to showcase the activities of the export services providers in the country.

We believe this fair will be highlighting the capabilities of the shipping and logistics solutions providers that work to add value to Bangladesh's business and economic growth.

We wish to acknowledge the role CEMS has played in organizing this event.

We thank all the visitors and participants for their encouragement and wish the 2nd BSLF 2006 every success!

MESSAGE

It is a real pleasure to once again present three Exhibitions in one go, the 7th edition of Texttech 2006 International Exhibition, which is an exhibition of International Garment & Textile Machinery, Accessories & Related Services; the 3rd edition of Machinexpo 2006, Machinery Exhibition and 2nd edition of BSLF - Bangladesh Export Services & Logistics Fair 2006. This Mega International Exhibition for the garment & textile and machinery world of Bangladesh is being held at the Dhaka Sheraton Hotel from Aug 17 - 19, 2006.

Exhibitors from various countries are participating in this Mega International Exhibitions with new scope and technology that can assist the RMG, textile, other industry and logistics sector of Bangladesh to modernize and upgrade themselves in order to compete in the world market.

These Expo's is directly targeted to the entire Garments & Textile and Export sector world of Bangladesh in which the visitors will be able to directly interact with the Exhibitors and evaluate what is best for them.

We extend our sincere thanks to Honorable Dr. Abdul Moyeen Khan, MP - Minister of Science & Technology and Communications, who kindly consented to inaugurate the Exhibitions as Chief Guest and also extend our sincere thanks to Mr. Md. Fazlul Hoque - President of Bangladesh Knitwear Manufacturers & Exporters Association, Mr. S.M. Fazlul Hoque - President of Bangladesh Garments Manufacturers & Exporters Association, Mr. Per Haiselberg - Managing Director of Maersk Bangladesh Ltd. and Mr. Amirul Islam Chowdhury Mian - International Freight Forwarders Association of Bangladesh for being our Special guests on the occasion.

We also extend our thanks to all the participating Exhibitors, without whom this Exhibition would not have been possible. We wish one and all a successful participation and welcome the visitors to the 7th Texttech 2006, 2nd Bangladesh Export Services & Logistics Fair and 3rd Machinexpo 2006.
