### VACANCY ANNOUNCEMENT

Bangladesh Internet Press Limited (BIPL) is one of the country's leading software development companies with a mission to provide quality software solutions to its local and global customers. At present, BIPL is looking for a dynamic and result oriented individual, who can fit into the slot of our Vice President - Systems. He will operate out of our Corporate Office in Dhaka and will report to the Managing Director.

**Requirements:**  
The person should have M.Sc in Computer Science/PhD or any relevant degrees in the IT field. An MBA would be a preferred extra qualification. He should be a go-getter, and an excellent team player with more than 20 years of experience in software development and maintenance and implementation, including significant experience of Managing Projects for overseas markets. He should be able to effectively motivate and lead a team of senior professionals to pursue an aggressive growth target as envisioned by the organization. He should be proficient in running an IT company as Chief Operating Officer or any other senior position.

**Responsibilities:**

- Take part in formulation and implementation of Corporate Vision / Mission & organizational policies.
- Take leadership role in formulating the technological vision of the organization and provides insight to the new technological areas through which the organization will benefit.
- Take the ownership of resource planning (Human Resource, Hardware, System Software and Network), developing people and retaining them, and ensure optimum utilization of the available resources across the organization.
- Take the ownership of Delivery Management: He is the custodian of all the software projects with respect to planning, scheduling and successful execution and delivering within specified budget and time line.
- Take the ownership to motivate, monitor and control a team of professionals to achieve a set goal.
- Take leadership roles in providing active support to the marketing team in the business generation process. Supporting marketing efforts will be one of the most important functions of this job.
- Take ownership of institutionalization and implementation of the Quality Management System across the organization. BIPL has already attained ISO 9001 - 2000 certification. It is one of the country's few IT companies now working for CMMI (initially level 3) certification.
- Be the custodian of customer relationship management and liaison.

**Salary:** An attractive monthly compensation package of around one lac taka will be offered to the deserving candidate.

Apply with a detailed resume and recent photograph to the address mentioned below within 7 days of appearance of this advertisement.
