No: NTRCA/Fake Certificate/2006/315

Date: 16/11/2006

Warning Notice

Persons not registered at NTRCA are not eligible to get appointed as teachers in any non-government education institutions since the Non-Government Teachers' Registration & Certification Act was made effective on 20/03/2005. But this bar is not applicable to the teachers duly appointed prior to this date in non-government education institutions permitted to conduct academic courses.

Some people are trying to procure jobs as non-government teachers using those certificates. Legal measures are underway against persons involved with printing, distribution and use of the fake teachers' registration certificates. Criminal cases will be instituted against those found possessing fraudulent teachers' registration certificates.

It will be appreciated if persons and institutions concerned with recruitment of teachers could contact NTRCA office to verify the genuineness of teachers' registration certificates sensing any suspicion about these.
