WESTECS® is recognized leader in the brand mass-marketing of clothes in Bangladesh. Based on our success in domestic market we now plan to make WESTECS® the first ever Bangladeshi clothing brand in foreign markets. Our impressive growth has led to a need for further expansion of our corporate human resources.

SENIOR HUMAN RESOURCES MANAGER

The human resources manager will be part of leadership team reporting to the Managing Director and he will take responsibility for the management of the overall human resource function. The role will initially involve setting up the company's salary structure and job grading system, allocating HR budgets, carrying out manpower planning, overseeing staff recruitment and implementing employee development programs and staff relationship management initiatives. In addition, the human resources manager will be responsible for designing the staff performance evaluation systems and talent management initiatives, reviewing the company's benefits on an annual basis and setting up staff activities to maintain morale.

The human resources manager will have HR experience gained within a multinational or leading national companies, possess an in-depth knowledge of human resources management and Bangladesh labor law. The successful candidate will have an exceptional personality, a strong outgoing character and be able to accept a high level of responsibility

Interested candidate please send application, recent photo and full resume indicating salary expectation with contact number and two references within December 7th, 2006.
