**JOB VACANCY : COUNTRY DIRECTOR**  
A USAID funded project working with the Ministry of Health and Family Welfare is seeking an experienced, self motivated professional with proven management leadership skills to fill the position of Country Director. The Country Director is responsible for providing technical assistance in Health/Family Planning contraceptive/commodity security to the Government of Bangladesh, donors and non-governmental health/family planning organizations.  
The successful candidate is expected to have a clearly proven ability in project management and in team leadership. He/she will demonstrate an ability to manage/lead a field office team of about 25 technical and administrative staff; plan, implement and coordinate annual work plans, maintain client relations with USAID and the MOHFW, liaise with donors and stakeholders and report and coordinate with project headquarters in Washington.  
**Qualification and experience required:**  
Education : Advanced degree in public health, procurement, management or a related social science.  
Experience : Minimum of ten years experience as a senior manager with a proven record in a leadership role with team building approach, preferably in the private sector or as a senior public health professional with significant management experience in in-country and international programs. Experience with USAID a plus.  
Ability : Knowledge of Bangladesh Health & FP Program  
Experience in Health/ FP commodity management/public health  
Demonstrate initiative and project management leadership skills  
Effective presentation and strong advocacy skills  
Proficient in word processing, spreadsheets and use of databases  
Excellent written and oral communication skills in English and Bangla  
Self motivated, able to work independently and good interpersonal skills for team building and building rapport with government counterparts.  
Attractive compensation package for the right person  
Interested candidates should email their applications to : [cdsearch@link3.net](mailto:cdsearch@link3.net) by 24 December 2006.  
The application should include a cover letter, CV, three references, contact email address and phone numbers, along with a recent photograph of the applicant. Application should also enclose a self-written, concise essay in English within 300 words (one page) describing the greatest challenges to contraceptive security in Bangladesh.  
**Only short listed candidates will be called for interview.**

**RADIANT PHARMACEUTICALS**  
**Medical Information Officers**  
Radiant Pharmaceuticals Limited is committed to manufacturing of quality medicines through strict adherence to the internationally accepted standards of good manufacturing practices. Run by a strong team of experienced professionals, we have always given the highest priority to the ethical practices in conducting the affairs of our business. It has also come up as a rewarding experience for us to have a close collaboration with the Swiss pharmaceutical company, F. Hoffmann-La Roche Limited, as their licensee to manufacture and sell Roche pharmaceutical products in Bangladesh.  
Currently we have a few positions to offer to eligible young candidates interested to work as Medical Information Officers. The incumbents will be responsible for the promotion of pharmaceutical products to the medical profession in Bangladesh.  
The candidates should have a Master of Science degree in any discipline having biological science in H.S.C. level. Good communication skills in both Bengali & English are essential requirements. Age limit is 30 years.  
Interested young men with amiable personality are requested to apply to the following address by Thursday, 21<sup>st</sup> December 2006. Applicants should apply in English in their own handwriting with a bio-data and a recent passport size photograph. Please inscribe "Medical Information Officer" on the top of the envelope.
