Investment in securities market always bears some risks, Investment in this Fund also involves certain risk factors. The investors should carefully consider the following risks in addition to other information contained in the prospectus in evaluating the offer and also for taking a decision whether to invest or not.

(01) The performance of the Fund is directly related with the macro economic situation particularly the capital market of Bangladesh

(02) Since the capital market of Bangladesh is highly volatile, there is no assurance of achieving the stated objective of the Fund.

(03) Due to small number of listed securities in both the stock exchanges, it may be difficult to invest the Fund's assets in a widely diversified portfolio as and when required to do so. (04) Due to a very thin secondary debenture market in Bangladesh, it would be difficult for the Fund Manager to swap between asset classes if and when required.

(05) Limited money market instruments narrowed the opportunity of short term or temporary investments of the Fund.

(06) Stock market trends show that price of almost all the listed securities move in unpredictable direction which may affect the value of the Fund. Moreover, there is no guarantee that the market price of shares of the Fund will fully reflect their underlying net

(07) If the companies fail to provide expected dividend, Income of the Fund will be affected. (08) For investing in Pre-PUBLIC OFFER Placement securities i.e. in unlisted equity

securities by the Fund may involve liquidity risk. (09) Uncertainties like political and social instability may affect the value of the Fund's Assets

(10) Adverse natural climatic condition may hamper the performance of the Fund.

17. Expected Market performance of the Fund:

(01) As the capital market index is comparatively low now, the Fund should be able to construct portfolio at a relatively cheaper cost base.

(02) It is expected that demand of the Fund's units will always rule over supply.

(03) Inuage of ICB, being the holding company of the ICB Asset Management Company Ltd. and the Trustee of the Fund for successful marketing of eight closed-end and one open-end mutual fund may motivate investors to invest in this Fund before enactment of Pilos labor র এক্সচেল কমিশন (মিউচায়াল ফাড) বিধিমালা, ২০০১.

(04) Successful launching and subsequent satisfactory performance of 4 (four) Mutual Funds managed by the ICB Asset Management Company Limited may attract the Non-Resident Bangladeshis (NRB's) to invest in this Fund.

18. Who to invest and How much to Invest:

Persons who do not have tolerance of bearing risk and know nothing about the functioning of the capital market need not apply for the units of the Fund. Considering other factors like the investment opportunities available in the market, return expectation, income level and consumption pattern, one may put a part of his/her total portfolio into the Fund.

19. Capital structure, Tax status and rights of unit holders

19.1 Issue of unit.
