CM Shafi Sami new chair of **UAP** trustee

CITY DESK

CM Shafi Sami, former diplomat, has unanimously been elected chairperson of University of Asia Pacific's (UAP) Board of Trustees, said a press release of the university yesterday.

The other elected office bearers include Prof Dr Mohammad Shariful Islam as senior vice chairperson; Mohammed Nazrul Islam and Tashmeem Shayera as vice chairpersons, and Alamzeb Farjad Ahmed as treasurer.

Sami, former president of Association of Private Universities of Bangladesh, is succeeding Monzoor Ahmad Chowdhury as chair of board of trustees.

CM Shafi Sami has worked in many countries under the ministry of foreign affairs, and he was the chief coordinator of the first Saarc summit. He was also an adviser to the caretaker government of 2006.

Former Brazilian goalkeeper Júlio César goes through the curated exhibits at Bangabandhu Memorial Museum yesterday, while CRI Trustee Radwan Mujib Siddiq and museum's curator Nazrul Islam Khan guide him along. The veteran footballer made a two-day visit to Bangladesh on invitation from Bangladesh Football Federation, marking the birth centenary of Bangabandhu. PHOTO: COLLECTED

Media enlistment of Sangram revoked

STAFF CORRESPONDENT

The Department of Films and Publications (DFP) yesterday revoked the media enlistment of Bangla daily Sangram.

The DFP took the decision following a report published by the daily on December 12, 2019, headlined "Sixth martyrdom anniversary of Shaheed Abdul Quader Mollah today" which is untrue, said a DFP press release yesterday.

Angered by the report, a mob on December 13 vandalised the office of Sangram in the capital's Boro Moghbazar. Police also arrested its editor Abul Asad in a case filed under Digital Security Act.

Quader Mollah, former assistant secretary general of Jamaat-e-Islami, was hanged at the old Dhaka central jail in 2013, in a case over committing crimes against humanity during the Liberation War.

The assistant general secretary of the Jamaat-e-Islami was earlier handed life imprisonment for involvement in war crimes on February 5, 2013 -- a sentence that sparked the Shahbagh movement and spread countrywide, rallying for maximum punishment of war criminals. The Supreme Court on September 17 overruled the International Crimes Tribunal judgement and sentenced him to death.

Why not pass

the electoral code of conduct, as law enforcers and magistrates are not carrying out their duties properly.

"So, what is the necessity to stage a farce in the name of

Referring to a newspaper report, he said around 1,825 cases were filed against BNP candidates in Dhaka north and south city corporation elections, while there are only 53 cases against the ruling party ones.

"How will we restore people's confidence in the election system if such a situation prevails?" he questioned.

Non-cognisable or

FROM PAGE 3

BNP leaders alleged that the attackers were supporters of a local ward councillor candidate backed by the ruling Awami League.

Tabith suffered minor injuries while several of his followers were also injured.

The BNP mayoral candidate filed a complaint with RO that night, and sought suspension and withdrawal of Darus Salam Police Station's officerin-charge.

The returning officer, in a letter on January 21, asked the OC of the Darus Salam Police Station and executive magistrate concerned to investigate the matter and submit a report within 48 hours.

Darus Salam police Officer-in-Charge Tofail Ahmed in his report said Tabith and his supporters came face to face with AL-backed ward councillor candidate Mujib Sarwar Masum and his supporters on a narrow road at Borobazar in Gabtoli.

Both governments have identified 46 projects in

also spoke at the programme.

PROJECT COST TO ESCALATE

Deal inked to expand

Police intervened and dispersed both groups after they were engaged in a scuffle, the probe report added.

After getting complaints from both groups, police made an inquiry and found that it was a noncognisable offence.

Tofail said that none of the candidates had informed them about their plan to take part in electioneering.

DNCC returning officer Abul Kashem said according to the electoral code of conduct, all candidates should inform local police 24 hours prior to holding a street rallies or meetings.

"Both candidates have violated electoral code of conduct; we will send them letters to follow the electoral code of conduct strictly," he said.

DNCC RO also sent a letter to all candidates, asking them to inform local police about their activities 24 hours prior to the programmes.

are scheduled to perform hajj this year, scheduled to take place on July 31 -- subject to sighting of the

"If pilgrims' airfare is hiked, then the cost of total hajj package will also go up. This will also create burden on pilgrims," the HAAB president told this newspaper yesterday.

Many Bangladeshis may fail to perform hajj due to high costs, he added.

An official of the religious affairs ministry said they did not agree with the civil aviation ministry's proposal to illogically increase the airfare of hajj pilgrims, as the Saudi government did not impose any new charge for this year's hajj and the price of jet fuel did not increase.

"Oil prices have declined in the world market. Amid such a situation, raising the airfare is not logical," he said, wishing not to be named.

At an inter-ministerial meeting on Sunday, secretary to the civil aviation ministry Md Mohibul Haque placed the proposal to increase pilgrim's this year's airfare to Tk 1,54,000 from Tk 1,28,000 in last year.

HAAB leaders at the meeting protested the proposal, and as the civil aviation ministry remained rigid on the proposal, HAAB leaders at one stage walked out, meeting sources told The Daily Star.

As a result, the meeting was adjourned and the matter of setting pilgrims' airfare is still undecided.

the price of airfare of hajj pilgrims at Tk 1,40,000, which was also rejected by the HAAB.

said the proposed airfare is two to three times However, the additional amount of cost could | higher than the normal fare on Dhaka-Saudi route.

The government is yet to announce the hajj

Illogical, immoral | Ward-based budget

The city planners also emphasised on community-based activities. According to them, all activities of the local government bodies should centre on ward councillor offices.

BIP suggested building ward complexes in 129 wards where residents could wail all civic services.

Dr Adil said people would get better services if councillor offices are made centre of all civic services. He also suggested forming area-based teams to inspect development with an aim to reduce public sufferings.

BIP President Akter Mahmud said, "At national level, we saw parliament members electing president. We also want the same in the local government system where councillors will choose mayors from themselves.

persons would participate in the polls. BIP also suggested keeping ward-based allocation in the budget and making

He said if councillors were given power to select mayors, more competent

he standing committee effective in this regard. It also asked prospective mayors to manifest good leadership qualities and

work together with other service-oriented government organisations to ensure smooth civic services. Replying to a question, Mahmud said there are many successes as well as failures of the previous mayors. "We've seen a rise in dengue but the city

corporations failed to involve people to prevent its spread," he said. The BIP president also recommended setting up ward complexes as it will

bring positive change in the society. About 745 councillors are contesting in 129 wards while 13 contenders are running in the mayoral race in the two city corporation elections on February 1.

Over 49,000 river

special drives conducted in seven days last year (December 18-24). Mahmud said around 21.5-acre river land was recovered during the drives.

In reply to another question from AL MP Benjir Ahmed (Dhaka-20), the state minister said six projects are now ongoing to increase navigability of the

The projects include capital dredging on 53 inland river routes (Phase-I: 24 River Routes); digging 12 important river routes; and reviving and developing navigability of old Punarbhaba, Brahmaputra, Dharla and Tulai rivers.
