13, 2015, from Montevideo, Uruguay after being imported from Bolivia.

The container was imported by one Khan Jahan Ali Limited, said investigators. On June 27, 2015, following a laboratory test in Dhaka, existence of cocaine was

found in two drums out of 107. The following day, a sub-inspector of Bandar Police Station filed the case and detectives of Chattogram Metropolitan Police started investigation.

In December 2015, a Chattogram court directed Rab to probe the case. Nur Mohammad, chairman of Khan Jahan Ali Group, was arrested on January 15, 2016.

Nur secured ad-interim bail from the High Court, which was later stayed by the Supreme Court on June 20, 2016, following a government petition against the HC order.

Rab pressed charges on April 3, 2017, implicating Nur, his brother Mostaq Ahmed and eight others. On October 8 that

year, following a petition from Khan Jahan Ali Group, the HC stayed the case's trial.

However, following another government petition challenging the HC order, the apex court on October 31, 2017 ordered the lower court to resume the trial process and also asked Nur to surrender before the lower court in three weeks. In April 2019, the court framed charges against the 10.

Investigators have also found link of Bangladeshi-origin UK citizens Bakul Mia and Fazlur Rahman in the drug smuggling. At yesterday's programme, Rab-7 Commanding Officer Md Mashiur Rahman; member of parliamentary committee on home ministry Kujendra Lal Tripura; lawmakers MA Latif and Habibur Rahman;

Chattogram Range's DIG Khandokar Golam Faruq; CMP Commissioner Md Mahbubor Rahman; magistrate Abu Salem Md Noman; and DNC additional director Mujibor Rahaman Patwary were also present.

She also cited examples of involving religious leaders, places of worship and religious organisations, and highlighted the government's "zero tolerance" policy towards terrorism and violent extremism.

Ambassador Fatima focused on Bangladesh's multilateral engagements in preventing violent extremism and propagating inter-religious and inter-cultural dialogue as the proponent of Bangladesh's signature resolution on Culture of Peace at the UN.

She suggested that the UN Plans of Action are implemented to counter hate speech, including against the Rohingya.

Adama Dieng, UN secretary-general's special adviser for the prevention of genocide, who moderated the event, mentioned Bangladesh's prime minister -- praising her decision to allow formal education for the Rohingya population in the camps in Cox's Bazar.

A large number of member states and civil society organisations attended the event.

Assistant Attorney General Md Saiful Islam told The Daily Star.

Following a writ petition filed by Supreme Court lawyer Bashir Ahmed, another HC bench on November 20, 2017 issued a rule asking the government to explain why it should not be directed to declare March 7 as Historic National Day.

Advocate Bashir Ahmed filed the petition in November 2017, seeking necessary order after Unesco recognised the historic speech as a world's documentary heritage on October 31, 2017.
