

40 lakh secondary students are receiving stipends directly to their bKash account

The stipend program of the Government of Bangladesh is aimed at increasing the educational participation as well as decreasing dropouts of children from impoverished families. bKash is proud to associate with this noble initiative of digitalized disbursement of stipend. In 2020, 40 lakh secondary students are receiving stipends to their bKash accounts. Students do not have to pay any fee or service charge to Cash Out the amount of their stipends.
