

ECSTATIC students and their proud parents and teachers filled the Shaheed Suhrawardy Indoor Stadium at the capital's Mirpur yesterday to celebrate their success as The Daily Star for the 21st time awarded students of O- and A- levels for their outstanding academic excellence in the 2018-19 academic session. They stood in silence as the national anthem was sung and clapped cheerfully every time a student's name was announced for handing the award. Besides, mesmerising dance performances enthralled the audience. Students took photos with their friends and guardians to make the day a memorable one. A total of 1,504 O-level achievers who got six A's and 484 A-level achievers who got two A's in one sitting were recognised for their hard work and dedication at the event. They are among the country's brightest minds who turned up in exuberance to celebrate their academic success and brilliance. They showed every sign that they would be the change makers of tomorrow and pledged to build a prosperous nation. The Daily Star initiated the unique annual event in 1999, which, over the years, has turned into a source of inspiration for many.
