OUR CORRESPONDENT, Barishal

Five students of Barishal University (BU) yesterday suffered stab injuries in a clash between two rival groups following a reported feud over occupying seats in a residential hall.

The injured are Md Rafi of political science department; Jidan Hossain, Farhan Hossain and Uchhas of geology; and Hafijur Rahman of botany.

All of them are activists of Bangladesh Chhatra League, however, none holds any post in the student organisation, said university sources.

They were admitted to Sher-e-Bangla Medical College Hospital. Of them, condition of Rafi and Farhan was critical, as they sustained head injuries, said hospital sources.

There is an ongoing rivalry between two groups of students. Around 4:30pm near the university's main gate, the groups clashed to occupy seats at Bangabandhu Hall, which is located outside the main campus, said witnesses.

At one stage, they attacked each other with lethal weapons, leaving five students injured, they added.

Contacted, BU Proctor Subrata Kumar Das confirmed the incident and said the university authorities will investigate it and take legal actions against those involved in the clash.

Law enforcers have been deployed in the area to avoid further violence. No case was lodged in this connection till filing of this report around 8:30pm yesterday, the proctor added.

EXTENSION BUILDING OF SHER-E-BANGLA MEDICAL COLLEGE HOSPITAL 10 years in the making

M JAHIRUL ISLAM JEWEL, from Barishal

How long does it take to complete a two-year project for constructing a medical facility? For a government hospital struggling to cope with patient flow, the answer is more than a decade.

The extension building of Sher-e-Bangla Medical College and Hospital (SBMCH), which is under construction since 2007, was supposed to be handed over to the medical authority in December last year, but construction authorities failed to do so yet again.

The building would alleviate the sufferings of thousands of patients, as the hospital has been facing an acute crisis of available patient rooms for the last three decades.

About 1,800-2,000 patients are generally admitted to the hospital, although it can only accommodate 1,000, said Dr Bakir Hossain, the hospital's director. A total of 4,000-5,000 patients regularly take treatment from the outpatient department.

In 2007, the health ministry had approved the construction of a seven-

storey extension building to ease the crisis.

In October that year, Public Works Department (PWD) in Barishal floated an open tender in this regard. Azad Construction and Mercantile Corporation were jointly awarded the project, with a budget of Tk 25 crore, according to PWD.

At the beginning of 2011, the contractors appealed to revise the project as its implementation cost had

increased by that time.

Later, duration of the project was extended by one and a half years, following an appeal made by the contractors, said Dr Bakir.

On August 8, 2012, PWD rejected an appeal to revise the project again, cancelling tender agreement with the contractors. The contractors then filed a petition with the High Court against the cancellation. The HC rejected it in

Three drug peddlers jailed for 15 years

STAFF CORRESPONDENT, Ctg

A court in Chattogram yesterday sentenced three drug peddlers to 15 years in jail in a case filed over recovering 28 lakh yaba pills from a trawler in Chattogram's outer anchorage and Dhaka in January 2016.

The convicts are Ali Ahmed (52) of Satkania; Md Hamidullah (36) of Patiya and Md Mohiuddin (39) of Rangamati. The court of Metropolitan Session Judge Sheikh Ashfaqur Rahman handed down the verdict after the court found them guilty, said Public Prosecutor Advocate Fakhruddin Chowdhury.

"The court tried them under the Narcotics Control Act (1990) as they were arrested in 2016 and 15 years' imprisonment is the highest punishment in the act. As the case was filed under the old act, the trial was also done under it," he added. The government amended the act in 2018.

On January 17, 2016, Rab-7 arrested the three from Dhaka and Chattogram. Law enforcers first arrested Hamidullah and Ahmed along with a fishing trawler near Patenga coast, where they found 27.5 lakh pieces of yaba. Quizzing them, Rab members learnt that Mohiuddin was on his way to Dhaka with another consignment.

Later, Rab arrested Mohiuddin from Dhaka airport area with 50,000 yaba pills the following day and filed a case. Police pressed charges against them on May 23 the same year while a Chattogram court framed charges on September 9. Nine witnesses testified in the case.
