No Love for The OLD SOUL

Al Pacino's ex-girlfriend, actor Meital Dohan, has made quite some shocking remarks about her ex-partner. According to her, the reason behind their failed relationship is their whopping thirty-nine-year age gap and the man in question's cheap habits. She further explained how Pacino may be legendary,

but he is old, and even though she 'tried to deny it', he is 'an elderly man'. She also claimed that Pacino wasn't very giving. She said, "How can I say politely that he didn't like to spend money? ... He only bought me flowers." Still, she seems to only have good wishes for him and is glad to have been a part of his life.

Family Breakdown

The end of an era has come. *Modern Family* is no more. The insanely popular show will bid farewell from our screens after eleven whole years of giving viewers plenty of laughs and feel-good moments. We share the sentiments wholeheartedly. The finale is set to air on the 8th of April on ABC.

Ashiques Again?

Talks are going around regarding the making of the third *Aashiqui* instalment, *Aashiqui 3*. Although nothing has been confirmed yet, and Mahesh Bhatt has even stated that a 'serious thought' hasn't been given to the film as of now, fans are still anticipating the release. This time, the whirlwind romance is rumoured to be between actors Sidharth Malhotra and Alia Bhatt. Sidharth even mentioned during a film promotion that he was in the talks for the film, but 'nothing has been confirmed'. Mahesh Bhatt also said, "I don't think you can say that they are anyway official close to putting their pen on paper to say yes to that (film). It is an incorrect assumption to say that they are a part of *Aashiqui 3*."
