Dr ASM Alamgir, chief scientific officer of virology at IEDCR described the latest global and local situation of coronavirus outbreak at the event presided over by Prof M Abu Sayeed, president of Doctors for Health and Environment.

On the misconception that the virus cannot survive in the hot weather of Bangladesh, Dr Alamgir, coordinator of IEDCR control room, said, "High temperature has nothing to do with virus. Pandemic never depends on season. It declines after a period of time." Masks are not needed as long as people maintain good hygiene, and frequently sanitise or wash their hands, he added. #### IN LOVING MEMORY of NABIL MOHAMMAD SHARIF

Nabil Mohammad Sharif, son of Dr Niaz Mohammad Sharif and Ms Bilquis Sharif (Tandra) passed away peacefully in his sleep on Thursday, the 27th of February 2020 at his home. He was 34 years of age. He left behind his parents, his younger brother Dr Asir Mohammad Sharif and many other adoring friends and family. His sudden and sad demise has left us all with empty hearts.

Nabil will be remembered as a fun-loving and peaceful soul, who brought joy and happiness to everyone he came across. His full, hearty and infectious laugh could brighten up even the most sober of moods. Nabil was an incredibly talented musician and an avid reader of books whose inquisitive mind never wanted to stop

learning. Most importantly though, Nabil was an exemplary son and brother who always placed family above everything else.

Nabil's dua' mahfil will be held on Monday, 2nd March 2020, baadh Maghrib at his home (House 86/A, Road 11/A, Flat 5B, Dhanmondi R/A, Dhaka 1209). We cordially request you to join us in remembering Nabil
