## Youth hacked to death

Locals set house of alleged attackers on fire in Gazipur

OUR CORRESPONDENT, Gazipur

Miscreants hacked a youth to death while he was trying to save his friend at Gazipur city's Bhurulia yesterday.

Nayeem Sarker (22) was a student of Model Institute of Science and Technology.

His friend Munna, also a student of the institute, was injured, said police.

Sadar Police Station Officer-in-Charge Muhammad Alamgir Bhuiyan said Munna was chatting with a friend on the institute premises when the girl's two brothers -- Royal and Rana -- with other youths rushed to the spot and beat Munna up.

Munna tried to go away but they waylaid him in front of local Mahabub Market. The gang beat him there again, prompting him

to call his friend Nayeem over phone.

When Nayeem arrived, the two friends and other youths scuffled over the issue and, at one stage, the gang hacked them indiscriminately, said the OC.

Locals took them to Shaheed Tajuddin Ahmad Medical College Hospital where the doctors declared Nayeem dead.

Police detained Royal's father Tipu Sultan and one Emon (20) for interrogation, said the OC.

Following the death, locals set Tipu Sultan's house on fire, said police.

Three firefighting units from Joydevpur station rushed to the spot and doused the blaze in an hour, said fire official Mamun-or-Rashid.

at any cost, to present a beautiful city to the coming generation. Sanitation will improve if water flow of the canal is revived, said the mayor. This canal will be helpful to save Rangpur city from flood, he said.

Asib Ahsan, deputy commissioner of Rangpur, said by the end of the drive, around

10km-long area of the canal between Mahiganj-Patbari will be excavated. A survey has already conducted with the help of divisional administration, district administration, RCC, Water Development Board and Rangpur Cantonment.

Every structure will be either demolished or removed, said the DC.

Md Akhtaruzzaman said women's participation in the workplace must be increased and empowerment of women in the family must also be ensured to reach SDGs by 2030.

DWGS chairperson Dr Sanzida Akhter presided over the programme, which was also addressed, among others, by Dean of Social Sciences Faculty Dr Sadeka Halim, and UNDP project director Abdul Mannan.

## Of chaos and councillors

Moreover, 23 councillors criticised the local media reports, which said they demanded the mayor's removal.

Councillor Shantonu Datta (ward-13) said all of them sat together to discuss the issue, and finalised a list of seven allegations, that were supposed to be submitted to the ministry.

"Later, we saw in media reports that we have already submitted a complaint asking for the mayor's removal. But that was not what we agreed or signed for."

"We were misguided by some other councillors and it's embarrassing. We want a suitable solution to the issue," he said.

Asked, councillor Toufique Baksh said, "We did not ask for the mayor's removal and all those who are claiming to be misguided signed the complaint willingly after the meeting. Now, they are saying otherwise."

Contacted, Mayor Ariful Haque Choudhury said, "I've heard that a complaint was submitted against me."

Refuting allegations against him, he said, "It's just that the councillors may have some demands regarding the city's development."

having prior knowledge of the appointments.

Nuruzzaman was promoted despite a court directive against it due to his involvement in corruption, said Alamgir.

Farid Hasan, one of the six officials, said, "We have been doing work of the promoted posts in addition to our regular official duties for six years."

When informed that those posts are not in the official organogram, he said, "Why then did authorities make us perform such duties?"

The board chairman could not be reached. He is currently abroad, according to ACC sources.
