The government has sought cooperation from the people of all walks of life including students, teachers, guardians, public representatives and members of law and enforcing agencies for smooth conducting of the examination, the handout added.

US team, Mostafiz talk disaster

The visiting four-member official team of the US Congress Foreign Relations Committee called on Foreign Minister ASM Mostafizur Rahman at his office on Thursday, reports UNB.

preparedness

They reviewed the reconstruction and rehabilitation programmes in the cyclonebattered coastal belts of the country and discussed the disaster preparedness and flood management efforts.

Members of the team expressed satisfaction over the progress of the programme, told an official at the Ministry of Foreign Affairs.

Led by Eric P Schwartz. Staff Consultant to the Asian and the Pacific Affairs Sub-Committee on Foreign Affairs, the delegation earlier called on Foreign Secretary Abul Ahsan. The US officials who passed

a hectic day Thursday in Dhaka also met Acting Chief Justice Muhammad Habibur Rahman and Chief Election Commissioner Justice Abdur Rauf Chowdhury.

The US delegation which arrived in the city on a fourday visit will have a cruise in the Meghna today to oversee the flood control embankments. They are likely to visit the International Centre for Diarrhoeal Disease and Bangladesh Research. (ICDDRB).

They are scheduled to meet Awami League Chief Sheikh Hasina and Finance and Planning Minister Saifur Rahman on Saturday before flying back home.

Shahabuddin greets Soeharto

Acting President Justice Shahabuddin Ahmed has congratulated Indonesian President Soeharto on the occasion of the Independence Day of Indonesia, reports BSS.

In a message of felicitation to President Soeharto the Acting President said "on the auspicious occasion the people and the government of Bangladesh join me in conveying to your excellency and through you to the people and government of the Republic of Indonesia our heartiest greetings and felicitations.

It is my firm conviction that the bond of brotherhood friendship and cooperation that so happily exist between our two countries will continue to grow in the years to come for the mutual benefit of our two people.

wish your excellency good health, happiness and long life and the brotherly people of Indonesia continued peace, progress and prosper-

Khaleda

Prime Minister Begum Khaleda Zia in a similar message also felicitated President Soeharto on the occasion of the Independence Day of Indonesia.

Maintenance of Rajshahi Textile Mills machinery stressed

RAJSHAHI, Aug 15: State Minister for Textile Abdul Mannan visited Rajshahi Textile Mills today, reports

Addressing the workers at the mills premises, the State Minister said it would be very difficult for the government to run the public sector mills which were running at loss.

He said the government of BNP is people's government, so it would take necessary measures immediately to protect public money.

The State Minister said coordinated and concerted ef forts of mill management and workers with honesty and sincerity would make the mill profitable.

He also stressed the need for proper maintenance of the mill machinery and improvement of quality of products. delay and complicacies.

Eric P Schwartz, leader of the visiting official team of US Congress Foreign Relations Committee called on Foreign Minister Mustafizur Rahman at his office on Thursday.

A seminar on "The Role of Indonesia in South-South Cooperation: Rural Development in Indonesia" was held at Hotel Sonargaon Thursday to mark the 46th Anniversary of Indonesian Independence. LGRD Minister Barrister Abdus Salam Talukder was present as the chief guest, while Dr Mizanur Rahman Shelley, Chairman, Centre for Development Research, Bangladesh (CDRB), presided over the seminar. Application of physics to control cyclone stressed

Education Minister Professor Badruddoza Chowdhury Thursday stressed the need for greater application of science in minimising the effects of the cyclone and other natural disasters, reports BSS.

Natural disasters occur in many countries but the consequences of such disasters seem to the much greater in countries like Bangladesh, he told a seminar on Application of Physics in controlling cyclones.

Organised by the Bangladesh Physical Society. the seminar was presided over by Professor Harun-ur-Rashid. President of the Society and also addressed by Professor Sultana Shafi, General Secretary of the soci-

The Education Minister. who was chief guest on the occasion, said that the warning systems about the cyclones had to be strengthened so that people could take them more seriously.

It is also necessary to find out ways how to further develop the system so that it could reach the people in quicker time and more effectively, he added.

Professor Chowdhury said cyclones and other natural disasters were a big problem for this country and every effort must be made to apply science to minimise the adverse effects of the disasters and far as possible.

Ban on import of electric metres demanded

By Staff Correspondent

Bangladesh Electrical Association on Wednesday demanded the cancellation of one point metering system and ban on the import of single phase electric meters, a press release said.

The association also urged the government to continue the policy of installation of locally produced electric meters tested by Bangladesh Standard Testing Institute (BSTI).

'A vested group out to create chaos on campus' CHITTAGONG, Aug 15

Leaders of political parties, student organisations and trade unions here Thursday expressed deep concern over the armed attack on the resident students of Chittagong University halls on Wednesday in which about one and half dozens students were injured. reports BSS.

In separate statements they said, it was unfortunate that a vested group had let loose a reign of terror in the educational institutions to frustrate the democratic process set in motion in the country after the ouster of autocratic government that ruled the country for nine years.

They called upon the nationalist and patriotic forces to unitedly resist those vested elements who could not conform to democratic process and ideals and were out to create chaos and confusion in educational institutions.

Chittagong University JCD leaders Iftekhar Hussain Chowdhury, Rafigul Islam Helaly. Bangladesh Sramik Kalyan Federation leader MA Taher and Igbal Hussain Khan Pathan and Jamaat-e-Islami central leaders Maulana Shamsuddin and Maulana Mominul Haq Chowdhury were signatories to their respective statements.

HERE and THERE
