# Biman lift Star trophy

desh Biman were declared champions in the CJKP Star Summer cricket tournament on the basis of better run-rate here

this evening, reports BSS. Umptre Nadir Shah stopped the Biman innings after 36.1 overs due to insufficient light when Biman were 173 for

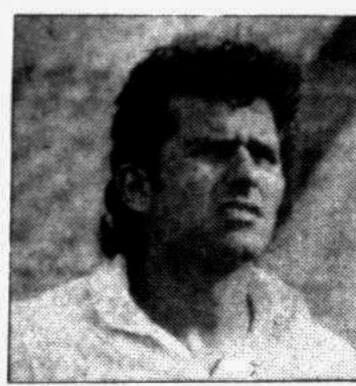

Brothers Union had made 168 for three in 36.1 overs and the tournament committee declared Bangladesh Biman the champion on a better run

Batting first, Brothers Union, had scored a huge 214 for three in their 40 overs.

The final was scheduled to start at 9 am but it started more than one and a half hours late because of the unplayable condition of the outfield and the number of overs was reduced to 40 from the original 45 overs-a-side.

The Brothers openers, Indian Test player Raman Lamba and Bangladesh national star Zahed Razzaq Masum gave a solid start scoring 105 runs. In the third wicket, Akram Khan and Fernando scored 52 and helped their team make a

big score of 214 losing only three wickets in 40 overs. Raman Lamba made a brilliant 90 before being caught and bowled by Aminul Islam Bulbul. He hit two sixes and four fours playing 110 balls. Masum 45,

In reply, Biman scored 173 for eight wickets in 36.1 overs when the umpires stopped play. Sumon scored a superb 50, skipper Shanu 31 and Bulbul with 27 were the prominent Biman scorers.

There was no clear-cut indication in the Star Summer tournament bye-laws as to what should be the decision in

such a situation. A similar situation was faced by Brothers and Abahani in the first semifinal of the tournament on April 7, but the tournament committee then had decided that the remaining overs would be played the next day. But this time around, the committee baced its decision on the basis of the run-rate.

#### Brothers protest

Brothers' captain Faruq protested the decision of the tournament committee and decided not to receive the runner-up trophy. He said that the umpiring was not fair. He also claimed that they had a decision to play 40 overs under any situation.

Umpires Nadir Shah and Ali Newaz said that they had an understanding with the captains of both the teams that in case of stoppage of the match before completion of the stipulated overs, the match would be decided on the basis of run-rate.

Biman's captain Shanu said he welcomed the decision. Later, the tournament

committee declared Shumon of Biman as the man-of-thematch and Raman Lamba of Brothers as the man-of-thetournament.

on the fourth day here Tuesday before a West Indies revival led by Jeffrey Dujon and Curtley Ambrose almost certainly condemned the match to a draw, reports AP. Australia's overnight 279 for
