## PEOPLE'S REPUBLIC OF BANGLADESH

MINISTRY OF IRRIGATION WATER DEVELOPMENT AND FLOOD CONTROL

BANGLADESH WATER DEVELOPMENT BOARD ADVANCE NOTICE TO CONTRACTORS

### FOR PRE-QUALIFICATION Tenders will be invited during September and October 1991 for a

two year emergency construction programme covering reconstruction or new construction of about 300 km coastal embankments in the south eastern part of Bangladesh which were heavily damaged by the cyclone hitting Bangladesh on 29-30 April 1991. The works will mainly consist of construction of earth

embankments with appurtenant hydraulic structures and afforestation of the fore land. The works will be tendered through ICB in about 10 construction packages. Association with local contractors as sub contractors and use of labour intensive techniques where applicable will be required.

The work will be financed by the Government of Bangladesh under a loan provided by the International Development Association (IDA) in collaboration with other Inernational Agencies.

The Bangladesh Water Development Board (BWDB) consequently requests international civil engineering contractors with similar experience who may be interested in the execution of these works to furnish the information required on the "Standard Pre-qualification Form for Contractors" which may be obtained from the following BWDB offices or through the office of the Consultant for the project. A number of contractors, who in the opinion of the BWDB are qualified to undertake work of such a category and magnitude, will subsequently be invited to collect tender documents during September and October 1991 for submittal of tenders during October and November 1991.

Contracts are planned to be awarded in November and December 1991 and construction works should start in December 1991 in order to take advantage of the dry season of 1991/92. Tenderers will therefore be required to demonstrate their capability of fast mobilization. Construction works shall be completed before the end of the dry season of 1992/93. Interested contractors may obtain Pre-qualification Form of
